iMessage Message received from Rajan Sawhney 2/2/2022 12:39:27 PM

RS

How are you doing?

iMessage Message sent 2/2/2022 12:41:05 PM - Delivered

Truthfully I've been better. I came here to retire. Choppers are flying again I believe RCMP are moving again . Tired.

iMessage Message received from Rajan Sawhney 2/2/2022 12:41:43 PM

RS

I'm sorry this is happening. Please take care. I'm working on this non stop.

I'm hoping to meet with the protestors today. They are finally organized enough to have a leader. They need someone from government they can get a straight answer from, not a lawyer hired by Ezra Levant. If it comes up are still willing to take a trip to Coutts?

iMessage Message received from Rajan Sawhney 2/3/2022 7:03:05 AM

RS

Of course! I just have to get clearance from the Boss and RCMP

iMessage Message received from Rajan Sawhney 2/3/2022 7:03:32 AM

RS

I'll do anything required to help out

iMessage Message received from Rajan Sawhney 2/3/2022 7:05:10 AM

RS

Is their leader Alex? Or George?

iMessage Message received from Rajan Sawhney 2/3/2022 7:06:19 AM

RS

Also, have you discussed with the RCMP?

iMessage Message sent 2/3/2022 7:17:30 AM - Delivered

RCMP are to take me in. Don't know who I'll be meeting.

iMessage Message sent 2/3/2022 7:18:05 AM - Delivered

Keeping this out of the media hopefully .

iMessage Message received from Rajan Sawhney 2/3/2022 7:18:25 AM

Ok. I'm willing to meet as well. And good luck Jim! You've got this.

iMessage Message received from Rajan Sawhney 2/3/2022 7:18:36 AM

iMessage Message sent 2/3/2022 7:18:37 AM - Delivered

Thanks

iMessage Message sent 2/3/2022 7:21:41 AM - Delivered

Not sure yet. Just told Cpl Peters I wanted to meet at 8 last evening. They've closed the highway down again. It was open briefly , a few commercial vehicles did go through then someone barricaded highway again. So... will be an interesting morning.

iMessage Message received from Rajan Sawhney 2/3/2022 7:23:46 AM

RS

I had a feeling they would close the highway again.

iMessage Message sent 2/3/2022 7:27:52 AM - Delivered

Yep. Still some mob rule going on. Hoping they have an established command structure soon. Doesn't help with the rebel lawyer getting involved.

iMessage Message received from Rajan Sawhney 2/3/2022 7:29:46 AM

RS

Agreed. They are not in good hands with those guys. They don't care about them and their families and how this is going to hurt them. They just care about creating turmoil.

iMessage Message sent 2/3/2022 7:32:18 AM - Delivered

Needs to be an investigation of that organization in my opinion .

Just a question for when you have time. Grant Hunter is around down here . Met me at 4 yesterday to tell me he'd arranged for everyone to leave in the next half hour. They didn't. He said at Mayors and Reeves that Artur Pawlowski had showed up and fired everyone up to convince them to stay . I can't find any evidence of that. ??? Is he hel

iMessage Message received from Rajan Sawhney 2/4/2022 7:37:59 PM

How are things this morning?

iMessage Message sent 2/5/2022 8:55:35 AM - Delivered

Quiet so far.

iMessage Message sent 2/5/2022 8:56:43 AM - Delivered

Guess they are assembling horses at Milk River to ride down but you probably already knew that .

iMessage Message received from Rajan Sawhney 2/5/2022 8:57:21 AM

RS

I saw a video last night. Something about the cowboys have arrived.

iMessage Message received from Rajan Sawhney 2/5/2022 8:57:43 AM

RS

But I hope traffic is still going through the border

iMessage Message sent 2/5/2022 8:59:14 AM - Delivered

A lot of action at the Milk River end. Trucks are dribbling through. 2 FedEx doubles that I've seen this am.

iMessage Message received from Rajan Sawhney 2/5/2022 9:05:54 AM

RS

Good to hear! I have a WhatsApp group for truckers, they send me updates and I send them updates. Just to make sure they can get through without too much delay.

iMessage Message sent 2/5/2022 9:11:06 AM - Delivered

Good so far I think. Will e Rebel get more difficult as the Circus begins with riders etc. In my opinion Paul Brandt should post a clarification on the Rebel news story that he helicoptered in aid.

iMessage Message received from Rajan Sawhney 2/5/2022 9:15:53 AM

RS

Do you think he did?

iMessage Message sent 2/5/2022 9:18:12 AM - Delivered

No. Pictures 5 years old.

iMessage Message sent 2/5/2022 2:13:16 PM - Delivered

MP Motz, Mayor [REDACTED] and I met with RCMP command here then paid a visit to the truckers for a few minutes. Then Roy Green show. An interesting day to say the least. Motz met with Marco up at the Milk River blockade. The message we are all pushing is clear the road enough to be breaking the law and protest all you want. Consistent messaging is very important. Still missing a provincial government voice.

iMessage Message received from Rajan Sawhney 2/5/2022 2:13:19 PM

RS

Hi Jim! Are there MLA's out there?

iMessage Message sent 2/5/2022 2:14:04 PM - Delivered

Haven't seen any although Grant says he has been off and on all week

iMessage Message sent 2/5/2022 2:14:21 PM - Delivered

Saw him once Thursday.

iMessage Message received from Rajan Sawhney 2/5/2022 2:14:28 PM

RS

When you say a government voice, do you mean in person?

iMessage Message sent 2/5/2022 2:16:35 PM - Delivered

I think so. Now that Marco seems to have established control it might be good for someone to talk about provincial mandates. Motz couldn't speak to that, and that is the other piece of the puzzle .

iMessage Message sent 2/5/2022 2:17:19 PM - Delivered

That's just my opinion. I'm no expert!

iMessage Message received from Rajan Sawhney 2/5/2022 2:20:02 PM

RS

Let's chat later.

iMessage Message sent 2/5/2022 2:20:33 PM - Delivered

Ok. Thanks for listening, lol. Running on nerves.

iMessage Message received from Rajan Sawhney 2/5/2022 2:22:46 PM

RS

I know, it's stressful

iMessage Message sent 2/5/2022 2:23:03 PM - Delivered

That should say "not breaking the law".

iMessage Message received from Rajan Sawhney 2/5/2022 2:23:10 PM

RS

But I don't think these folks are going to be convinced to leave by anyone now

iMessage Message sent 2/5/2022 2:32:24 PM - Delivered

No. I expect them to stay awhile . Problem is two fold. Some of these folks have trouble separating provincial and Federal politics. Glen is working on Feds and has communicated that. Premier has said and been misquoted and said again he is working on getting started removing the mandates. I don't know. As you said you missed one window. I'll let people with more experience decide the next step .

iMessage Message sent 2/5/2022 2:36:01 PM - Delivered

If someone does decide to come I would advise doing it the way Glen did , low key, unannounced, meet with RCMP, meet Marco or whoever is in charge and communicate.

iMessage Message sent 2/5/2022 4:50:49 PM - Delivered

So what's the deal . Talk of an MLAs meeting today making concessions ? Can I get some official confirmation please. Thanks Minister.

Warm, cloudy, not too bad. Quiet here.

iMessage Message sent 2/6/2022 9:35:53 AM - Delivered

I'm trying to find out who protestors spoke with and said what. Grant says it wasn't him, very clear he has mandate that would allow him to do that.

iMessage Message sent 2/6/2022 9:41:46 AM - Delivered

Gonna check with Nathan. Local trucker says he goes south here returns another way because intermittent blockages to the south , however did see wind turbine blade come through yesterday.

iMessage Message received from Rajan Sawhney 2/6/2022 11:54:54 AM

RS

I'm going into a meeting now to provide updates, anything you'd like me to share?

iMessage Message sent 2/6/2022 11:59:16 AM - Delivered

Just the messaging to the protestors needs to be controlled better. There seems to be conflicting messages being circulated as true. Maybe with Marco . I think he is still in charge. Tomorrow could be a problem again if they feel they've been lied to about mandates coming off. See to believe there will be a vote tomorrow and the caucus will have mandates removed. That needs to quashed.

iMessage Message sent 2/6/2022 11:59:55 AM - Delivered

*seem to believe

iMessage Message sent 2/6/2022 12:00:53 PM - Delivered

iMessage Message received from Rajan Sawhney 2/6/2022 12:18:47 PM

RS

Was food dropped off to the protesters by helicopter?

iMessage Message sent 2/6/2022 12:21:25 PM - Delivered

Rebel rented a chopper and made a video. They may have done. The protests are awash in food brought in the normal way. There's no need for an airdrop . Down here you're in protected air space . Wouldn't want to be the pilot.

iMessage Message sent 2/6/2022 1:53:36 PM - Delivered

So Marco is a Fort Macleod Town Councillor! Wonder how he reconciled illegal action with his oath to the queen? No wonder he won't communicate with me.

Talked to Mayor Feyter and Glen Motz about Marco. Marco was not in favour of the illegal action and has been working to move toward a legal protest so not as bad as it seemed at first. Mayor Feyter will see if he can get him to give me a call.

iMessage Message sent 2/6/2022 9:30:42 PM - Delivered

Curtis is back. Having a strategic meeting tomorrow at Milk River town hall. Maybe you should suggest to him you attend virtually? Going to try and figure out how to get through to these guys they need to move somewhere else. Getting down to crunch time.

This is a post from Matt Haasen on Facebook . Group post, can't share link but explains the helicopter food drop story. Comes complete with photos in group post.

"Last week, I did something that was pretty exciting and I must say, in following the MSM, it got a little out of hand for one of our Alberta legends . I've never been a fan of doing what our government mandates, especially when it doesn't make any sense. There aren't many initiatives that the government touches that are successful, that's why we have lone wolfs like all these individuals fighting for our freedom from this lunacy and successful groups like this group continuing to fight for what is right. So to dispel some rumours, it was my helicopter that came down last week to bring these groceries. The groceries were picked up by me and paid for by me and some of my generous friends. A good friend of mine got pulled through a lot of unnecessary bashing for something I planned and carefully executed . The people in the photo that was shared around the internet are no other than four great local individuals who helped with our planning and who came to pick up the groceries in a safe landing area they had provided me. The area over the blockade had flight restrictions imposed on it, and I complied. It made me laugh on other media platforms to hear that I should have my license revoked for helping terrorists. That couldn't be further from the truth. These peaceful protesters that I've been witnessing through these social platforms, (including the individuals that came to greet me) are of the true spirit of fellow Canadians that I wish to continue to follow and assist. Peaceful protests, equivalent to some of my good friends who journeyed to Ottawa should be applauded not condemned. I've never been so disappointed in our left wing followers or our mainstream media as I have been recently. Stick with the fight, we're behind you all the way. When the story broke, I was contacted by no less than 6 other helicopter owners ready to help fly in supplies should the authorities cut things off. This task for them would also have to follow the rules, rules that sometimes limit our execution. It became crystal clear, we have friends in all walks of life, both on the ground and in the air and recently even on horseback! To hear that someone brought hockey gear out there was icing on the cake. It truly refreshes my hope that we 'old dogs' leave our kids the Canada we were able to experience in our lifetime. As my good friend shared in his most recent tweet, " May we find our way to unity again. God keep our land glorious and free!"

iMessage Message received from Rajan Sawhney 2/7/2022 10:19:20 PM

Meeting tomorrow am in Milk River with Hutterites and RCMP. Should be interesting. Tomorrow night council meeting in Coutts when I face two groups of disgruntled citizens over the way I sent out a letter to inform citizens . Characterized as propaganda and fear mongering. Oh well. it quiet and out of the media. I knew the risk. RCMP are not briefing me

100% agreed. This situation is out of our hands.

The conspiracy theorist in me can't shake the feeling we are being manipulated.

By whom

iMessage Message received from Rajan Sawhney 2/10/2022 8:08:26 AM

RS

I'm a bit of a conspiracy theorist too

iMessage Message sent 2/10/2022 8:08:37 AM - Delivered

That's the question . I'd say China/Russia but I have no proof and it's way outside my areas of expertise so just call it idle musings.

iMessage Message received from Rajan Sawhney 2/10/2022 8:09:28 AM

There certainly is a lot of disorder and we are only hurting ourselves

Hi Jim! How are you feeling?

iMessage Message sent 2/11/2022 9:17:25 PM - Delivered

90%. Senses not quite back to normal but almost. In the grand scheme of things , could have been a lot worse.

Still very positive so isolating . First time Cindy and I have had separate bed rooms!

Have sat in on a couple planning sessions with RCMP and involved parties. "The MLA" gets mentioned quite a bit.

iMessage Message sent 2/11/2022 9:21:11 PM - Delivered

They never say his name.

RS

iMessage Message received from Rajan Sawhney 2/11/2022 9:21:56 PM

Is the MLA helpful or a hindrance?

RS

iMessage Message received from Rajan Sawhney 2/11/2022 9:22:22 PM

Im getting worried now about rising tensions

iMessage Message received from Rajan Sawhney 2/11/2022 9:22:33 PM

RS

Just what I'm hearing from friends

iMessage Message sent 2/11/2022 9:26:55 PM - Delivered

I'm saying he's been a hindrance as they take what he says as gospel and then when it doesn't happen the way he says they react. Rising tensions for sure. RCMP are formulating an action plan I am aware of but it does not involve me so I'm keeping a low profile . Have dodged media for the last three days , will do Roy Green on Sunday, he's agreed to ask open ended questions ...interesting times.

iMessage Message received from Rajan Sawhney 2/11/2022 9:40:57 PM

RS

For sure. Well let's keep hoping for the best. Although I am preparing for a bumpy couple of weeks
