

[2022-01-25, 12:33:10 PM] Kim Ayotte: Are you okay if I bring Ryan Perrault to our meeting at 2:30?

[2022-01-25, 12:36:37 PM] Steve Kanelakos: Sure

[2022-01-26, 1:07:24 PM] Steve Kanelakos: Very good responses! Well done

[2022-01-26, 1:07:57 PM] Kim Ayotte: It's not Tony French but it does the job!

[2022-01-26, 1:39:34 PM] Steve Kanelakos: It was very good French

[2022-01-27, 7:42:48 PM] Kim Ayotte: Results are in and Paul Hutt is by far the best candidate!

[2022-01-27, 7:57:55 PM] Steve Kanelakos: I would like to hear more

[2022-01-27, 7:58:48 PM] Kim Ayotte: Sounds good... perhaps we could meet tomorrow and chat.

[2022-01-27, 8:00:27 PM] Steve Kanelakos: May be difficult tomorrow. Will see how the day is going

[2022-01-27, 8:00:57 PM] Kim Ayotte: That's right... early next week!

[2022-01-28, 8:40:36 AM] Kim Ayotte: FYI people/protesters are starting to camp out in the City Hall Parking Garage. They are also sending out the word that this is the cheapest parking in downtown. Security is very concerned and recommending that we close the parking this weekend to the public. They are working on the plan now and I have approved the action.

[2022-01-28, 8:50:28 AM] Steve Kanelakos: Ok.

[2022-01-28, 2:29:28 PM] Steve Kanelakos: I think u need to call Brockington. He wants specifics when the truckers are doing what they want and we are reacting. He thinks there's a plan that is in place but

the plans are shifting every minute it seems

[2022-01-28, 2:29:57 PM] Kim Ayotte: I will call him!

[2022-01-28, 2:30:21 PM] Steve Kanelakos: We must have released the street closures by now in our internet channel.

[2022-01-28, 2:39:36 PM] Steve Kanelakos: Let me know how it goes

[2022-01-28, 2:46:23 PM] Kim Ayotte: He will call me later as he is a Library Board meeting.

[2022-01-28, 2:47:49 PM] Steve Kanelakos: All the info he wants is out there or has been answered. I told Andrea to ensure that we are sending memos specifically directed to council to make them feel engaged

[2022-01-28, 2:48:30 PM] Kim Ayotte: Yes... another one is coming out soon!

[2022-01-28, 2:48:51 PM] Steve Kanelakos: Council needs to be spoon fed and have to go hunting for info

[2022-01-28, 2:49:01 PM] Steve Kanelakos: Not have to*

[2022-01-28, 4:43:01 PM] Steve Kanelakos: Let me know how it goes with Brockington

[2022-01-28, 4:52:13 PM] Kim Ayotte: Will do!

[2022-01-28, 4:56:16 PM] Kim Ayotte: He's probably still at the library board meeting because he hasn't returned my call

[2022-01-28, 5:58:31 PM] Kim Ayotte: Just spoke to Riley and he is good. He appreciated the call and was happy with the explanations

[2022-01-28, 6:09:21 PM] Steve Kanelakos: Thanks for doing this Kim

[2022-01-28, 6:45:39 PM] Kim Ayotte: Our trigger to escalate the EOC to "Activated" tomorrow (if necessary) will be civil disobedience (any sign the protest has turned non-peaceful).

[2022-01-28, 6:45:57 PM] Steve Kanelakos: Ok. Makes sense

[2022-01-28, 7:54:59 PM] Kim Ayotte: From Intersect (FOUO) ...

- The convoy from Owen Sound has arrived at Jet Form Park for the night (approx. 50 trucks)

- One more small convoy (4-5 personal vehicles) is expected to arrive late tonight

- There are no anticipated large scale convoys expected tonight but individual vehicles are expected to arrive during the night

- Ottawa City Traffic Management has confirmed that MacDonald Cartier Bridge is now reduced to 2 lanes in each direction

[2022-01-28, 7:55:25 PM] Steve Kanelakos: Got it. Thx

[2022-01-28, 8:54:36 PM] Kim Ayotte: FYI we are sending 6 heavy vehicles to help Police keep Queen St. for emergency egress. Protesters are blocking and police are worried they will just remove the light barricades as soon as their Traffic Cops leave. This is the same as what we do during Canada day.

[2022-01-28, 8:55:15 PM] Kim Ayotte: Police are negotiating with farmers but it's not going well

[2022-01-28, 9:07:26 PM] Steve Kanelakos: It just feels like it's going to be a confrontational weekend. It's such a mix of characters protesting

[2022-01-28, 9:08:22 PM] Kim Ayotte: I agree... we will be keeping a close eye and updating you regularly!

[2022-01-29, 7:45:14 AM] Kim Ayotte: • No traffic or convoy vehicles observed yet in the downtown car. All routes are flowing well (with the exception of roadways closed yesterday, see on-going)

- OPS neighborhood response teams managed to clear Queen Street yesterday evening and the road is open.

- Roads Services heavy vehicles were deployed yesterday at the following locations in order to maintain EPS routes and ensure public safety (see attached for): Queen/O'Connor, Queen/Metcalf, Queen/Bank

- These vehicles were moved to 24 Sussex this morning, but new heavy vehicles are being moved to these locations on Queen to maintain public safety and will be in place within a few hours.

- Two convoys have yet to arrive and will be on-site tomorrow (one being the largest group). One will be coming at approximately 2pm, the other TBD.

[2022-01-29, 8:37:44 AM] Steve Kanelakos: Thank you Kim

[2022-01-29, 9:34:22 AM] Kim Ayotte: Fire responded to a high angle body retrieval at the Delta hotel this morning shortly after 5am. Crews believe that the person fell off a balcony. Unconfirmed reports are that the person was related to the protest.

[2022-01-29, 9:38:09 AM] Steve Kanelakos: Ok

[2022-01-29, 9:41:08 AM] Kim Ayotte: Do you get the intersect notices? if not I will send you stuff I get from them.

[2022-01-29, 9:56:12 AM] Steve Kanelakos: I don't get them. Can u send them to me when I get them. Ironic cause me and Sue O'Sullivan started Intersect many years ago.

[2022-01-29, 10:19:43 AM] Kim Ayotte: Re: cenotaph... NCRCC is coordinating removal and I also escalated it to DC Trish Ferguson.

[2022-01-29, 10:21:27 AM] Kim Ayotte: Also the convoy coming from Quebec... Someone apparently put nails across the highway and a bunch of vehicles are now pulled over with flats. These types of counter protests can fan the flames.

[2022-01-29, 10:28:50 AM] Kim Ayotte: Sent you a CTV live feed link by email

[2022-01-29, 10:38:37 AM] Kim Ayotte: Re: Cenotaph... Police indicate that cars are no longer there. When asked by police to move, they complied and are no longer there!

[2022-01-29, 10:51:31 AM] Steve Kanelakos: Thank you Kim. [REDACTED]

[REDACTED]

[2022-01-29, 11:05:22 AM] Kim Ayotte: While it was reported as a body retrieval... the person was and is still alive.

[2022-01-29, 11:06:07 AM] Kim Ayotte: And that was a pocket dial LOL

[2022-01-29, 11:06:38 AM] Steve Kanelakos: I figured. Where are you today?

[2022-01-29, 11:07:04 AM] Kim Ayotte: In the middle of the action at City Hall

[2022-01-29, 11:08:08 AM] Steve Kanelakos: How did u get into parking garage?

[2022-01-29, 11:08:42 AM] Steve Kanelakos: Are there staff in EOC?

[2022-01-29, 11:08:46 AM] Kim Ayotte: Nope LOL so I called Clayton and he got security to open up the loading dock for me.

[2022-01-29, 11:09:00 AM] Kim Ayotte: No it's all virtual...

[2022-01-29, 11:09:39 AM] Steve Kanelakos: Ok. Thx. I'm out and about running errands. It's so cold. I don't know how they can stay out there all day

[2022-01-29, 1:28:06 PM] Kim Ayotte: 1000 vehicles coming from quebec/Hwy50. They will be shutting down Mackenzie bridge when they arrive and forcing them to park on the gatineau side and walk across

[2022-01-29, 1:35:28 PM] Steve Kanelakos: Ok

[2022-01-29, 1:36:31 PM] Steve Kanelakos:
<https://twitter.com/mrsmaris/status/1487493116093505539?s=10>

[2022-01-29, 1:36:40 PM] Kim Ayotte: Due to escalation in the size and scope of this event, which now has city-wide impacts, the EOC is entering into "Activated Operations" and will remain fully activated for the duration of this event.

[2022-01-29, 1:37:03 PM] Steve Kanelakos: Can u get them to remove this from the monument. Mayor is getting tweets from people

[2022-01-29, 1:37:33 PM] Kim Ayotte: We will

[2022-01-29, 1:37:38 PM] Steve Kanelakos: Thx

[2022-01-29, 1:46:02 PM] Kim Ayotte: Police are on it...

[2022-01-29, 3:02:18 PM] Kim Ayotte: At this point we are only planning to keep the EOCCG updated by email (2-3 times a day) if that works for you. We can send them out on your behalf. We will only call a meeting if a decision needs to be made.

[2022-01-29, 3:02:52 PM] Kim Ayotte: If you prefer a different plan, please let me know.

[2022-01-29, 3:03:08 PM] Kim Ayotte: I am here to support you!

[2022-01-29, 3:16:35 PM] Steve Kanelakos: That works. Thanks.

[2022-01-29, 4:22:36 PM] Steve Kanelakos: From Mayor:

Did we give trucks to park at baseball stadium Ans is Terry fox issue resolved

[2022-01-29, 4:22:42 PM] Steve Kanelakos: Can u let me know?

[2022-01-29, 4:23:09 PM] Kim Ayotte: You deleted this message.

[2022-01-29, 4:23:13 PM] Kim Ayotte: You deleted this message.

[2022-01-29, 4:23:35 PM] Kim Ayotte: Yes and yes

[2022-01-29, 4:23:55 PM] Steve Kanelakos: Thx! Your on top of it eh!

[2022-01-29, 4:25:37 PM] Kim Ayotte: Also Rideau Centre has decide to close and got police to help. No issues with it that I am aware of!

[2022-01-29, 4:28:07 PM] Steve Kanelakos: Ok

[2022-01-29, 4:29:47 PM] Kim Ayotte: Re Baseball Stadium parking:

There is a media enquiry looking into that too that I think Rachel is trying to work on. The City did make that parking lot available for vehicle overflow but we did not want people to set up tents etc. And technically, that those require permits that they don't have. But, that Police allowed it.

[2022-01-29, 4:57:19 PM] Steve Kanelakos: From Mayor:

I've received some tweets saying people are putting stuff back up on statue it might have to be visited on a regular basis

[2022-01-29, 4:58:04 PM] Steve Kanelakos: I heard that on cbc too. The war memorial and Terry Fox statue have been the big stories. Unbelievable

[2022-01-29, 4:58:49 PM] Kim Ayotte: I figured that might happen... police are also struggling getting the 3000 people out of Rideau Centre. They don't want to leave because it's cold!

[2022-01-29, 4:59:12 PM] Steve Kanelakos: Yes I heard

[2022-01-29, 5:00:10 PM] Kim Ayotte: I will advise police again. As for the cenotaph... military police were asked to guard. I will also get an update on that. Something believe there are any cars parked there.

[2022-01-29, 6:18:47 PM] Kim Ayotte: EOCCG message is going out soon from me at your request. Do you want to see it first?

[2022-01-29, 6:20:54 PM] Steve Kanelakos: No go ahead

[2022-01-29, 6:27:04 PM] Steve Kanelakos: I had asked Andrea to prepare an update to council this afternoon that talks about size of crowd, number of trucks in town, traffic update, disposition of the crowd, any incidents etc. More detail than the ones we have put out so far. I haven't seen anything

[2022-01-29, 6:27:38 PM] Steve Kanelakos: A few just messaged. It's going out shortly.

[2022-01-29, 6:29:10 PM] Steve Kanelakos: Andrea just messaged*

[2022-01-29, 6:35:36 PM] Kim Ayotte: K

[2022-01-29, 7:09:56 PM] Steve Kanelakos: Memos to council and eocg are both very good. Thank you

[2022-01-29, 7:11:43 PM] Kim Ayotte: Wish we were quicker to pull the trigger but also respectful that our managers are trying to get a bit of the weekend in.

[2022-01-29, 7:12:26 PM] Steve Kanelakos: True. But we have to feed council tomorrow. And eocg

[2022-01-29, 7:12:40 PM] Kim Ayotte: For sure...

[2022-01-29, 7:13:11 PM] Steve Kanelakos: Have a good night. Thank you for taking care of so many issues today and keeping me updated. Really appreciate it

[2022-01-29, 7:13:41 PM] Kim Ayotte: All good... thanks!

[2022-01-29, 7:26:38 PM] Kim Ayotte: Police are telling us we might have got off a bit easy today. The real event is now tomorrow, starting at 11:00. They are preparing for this as the main event, with potential contingencies to escalate responses quickly.

[2022-01-29, 7:29:03 PM] Steve Kanelakos: I'm thinking the same. Let's hope our good fortune continues tomorrow

[2022-01-30, 8:58:02 AM] Kim Ayotte: Re: the article you just sent me. I think that this is the sentiment of many Citizens in Ottawa and it will get worse if the convoy doesn't move out soon. This will definately be our challenge in the coming days.

[2022-01-30, 9:15:06 AM] Steve Kanelakos: It's a little naive for that idiot to believe that police and city should have just prevented the protest from happening

[2022-01-30, 9:15:26 AM] Steve Kanelakos: I can't even look at Twitter.

[2022-01-30, 9:15:37 AM] Kim Ayotte: I agree...

[2022-01-30, 9:16:00 AM] Steve Kanelakos: There are so many hateful angry negative people in our community.

[2022-01-30, 9:16:44 AM] Kim Ayotte: U gate twitter but have no choice to look at it this weekend. Probably a good thing that I am still a rookie at maneuvering through it!

[2022-01-30, 9:17:04 AM] Kim Ayotte: On both sides!

[2022-01-30, 9:17:17 AM] Steve Kanelakos: Exactly

[2022-01-30, 9:19:58 AM] Kim Ayotte: Did you see the angry BIOPC email sent to me and the Mayor angry that we supplied ports-potties

[2022-01-30, 9:21:05 AM] Kim Ayotte: Actually, I just re-read it and it wasn't so angry... just questioning our decision.

[2022-01-30, 9:21:21 AM] Kim Ayotte: Cause they don't get them when they protest.

[2022-01-30, 9:54:20 AM] Steve Kanelakos: No I didn't see it

[2022-01-30, 9:55:51 AM] Steve Kanelakos: Are u going to reply to Menard and Mckenney re the parking downtown and on QED? Or is it better for police to respond?

[2022-01-30, 9:58:12 AM] Steve Kanelakos: The mayor just texted Sloly asking if we can ticket or remove truck on QED and in residential areas. Sloly has his daily briefing at 10 and will get back to mayor

[2022-01-30, 9:59:12 AM] Steve Kanelakos: Quite frankly I don't see what ticketing will accomplish

[2022-01-30, 10:01:10 AM] Steve Kanelakos: What happened that paramedics were displaced from downtown core?

[2022-01-30, 10:07:40 AM] Kim Ayotte: I am going to let them know that it has been forwarded to police.

[2022-01-30, 10:07:58 AM] Steve Kanelakos: Ok

[2022-01-30, 10:08:04 AM] Kim Ayotte: Okay thanks

[2022-01-30, 10:08:32 AM] Kim Ayotte: I agree... it will just start to anger the demonstrators

[2022-01-30, 10:09:59 AM] Kim Ayotte: The late night crowd at 11:30 pm were getting a bit aggressive and when they broke a window on one of our trucks, police decided to move the Paramedics

[2022-01-30, 10:10:15 AM] Steve Kanelakos: Ok. Thx

[2022-01-30, 10:21:02 AM] Steve Kanelakos: So to be clear, u you're going to respond to Menard and Mckenney and tell them that you've contacted police and they have carriage of the issues?

[2022-01-30, 10:29:47 AM] Kim Ayotte: Yes... you should have the responses in your email.

[2022-01-30, 10:37:08 AM] Steve Kanelakos: Got them. Thx

[2022-01-30, 11:05:07 AM] Steve Kanelakos: Seems like a small crowd considering that their first formal prayers are scheduled for 11

[2022-01-30, 11:06:50 AM] Kim Ayotte: Agree... big event at 13:00 with Maxine Bernier speaking... that crowd might dictate how the rest of the day goes!

[2022-01-30, 11:07:34 AM] Steve Kanelakos: Did police get back to you re QED?

[2022-01-30, 11:07:57 AM] Kim Ayotte: Not yet...

[2022-01-30, 11:16:24 AM] Kim Ayotte: From DC Trish Ferguson... Hiya Kim. Thank you and good morning! I am guessing you are getting grief from Councilor McKenny. I believe our plan is to leave them for now and assess during the day. INsp. Mbakulo is liaising with her.

[2022-01-30, 11:27:36 AM] Steve Kanelakos: I agree with her.

[2022-01-30, 11:28:14 AM] Kim Ayotte: Me too

[2022-01-30, 11:37:20 AM] Steve Kanelakos: Sloly got back to mayor. Mayor agrees that it's not worth inciting the crowd so he's good and supports police decision

[2022-01-30, 11:37:47 AM] Kim Ayotte: Great... thanks!

[2022-01-30, 12:03:22 PM] Kim Ayotte:

<https://twitter.com/wendygooles/status/1487819485411258370?s=10>

[2022-01-30, 12:04:09 PM] Kim Ayotte: We are on it and it appears to be BS. Pierre is investigating to confirm!

[2022-01-30, 12:18:58 PM] Steve Kanelakos: Ok. Let me know

[2022-01-30, 12:53:19 PM] Steve Kanelakos: Seems quiet. Crowds don't seem as large

[2022-01-30, 12:54:06 PM] Kim Ayotte: Agree

[2022-01-30, 12:54:22 PM] Kim Ayotte: Hopefully it's not the calm before the storm!

[2022-01-30, 12:55:36 PM] Steve Kanelakos: That's what I was thinking

[2022-01-30, 1:00:10 PM] Steve Kanelakos: Did Pierre track down the claim by the paramedic?

[2022-01-30, 1:02:11 PM] Kim Ayotte: Just spoke to him... they are reviewing every call including those coming in from other municipalities. Nothing yet.

[2022-01-30, 1:02:25 PM] Steve Kanelakos: I hope it's bs

[2022-01-30, 1:02:35 PM] Kim Ayotte: Me too

[2022-01-30, 1:03:39 PM] Kim Ayotte: Police are also asking about it because they are not aware of anything of the sort happening

[2022-01-30, 1:59:51 PM] Kim Ayotte: Our media response:

"Ottawa Paramedic Services has not identified any calls relating to the social media reports of such an incident. We are currently investigating these reports and cannot confirm at this time." – Attributed to Pierre Poirier

[2022-01-30, 2:02:25 PM] Steve Kanelakos: Ok

[2022-01-30, 3:01:18 PM] Kim Ayotte: ●LIVE Ottawa - RAW Footage: Freedom Convoy 2022 - Parliament Hill - Sunday Jan 30 - YouTube

Live footage walking around downtown streets

[2022-01-30, 3:01:33 PM] Kim Ayotte: This is a pretty good walk around feed

[2022-01-30, 3:03:23 PM] Steve Kanelakos: I watched it yesterday. Made u feel like u were right there

[2022-01-30, 3:04:12 PM] Kim Ayotte: I need to turn the volume off... the speakers are annoying lol

[2022-01-30, 3:05:03 PM] Kim Ayotte: Reports are that trucks are already starting to leave town... maybe small numbers for the next few days

[2022-01-30, 3:08:45 PM] Steve Kanelakos: The crowds look a lot smaller than yesterday. I bet a lot of the crowd from yesterday were locals on both sides of river

[2022-01-30, 3:09:41 PM] Kim Ayotte: Agree... everyone was looking for a party. Many were drinking and having fun!

[2022-01-30, 5:40:43 PM] Kim Ayotte: RCMP VIP/close protection is requesting the use of city hall parking tomorrow from 6am to 23:00 for approximately 10 armored SUVs. I have approved!

[2022-01-30, 5:43:10 PM] Steve Kanelakos: We should get some of those!

[2022-01-30, 5:44:23 PM] Kim Ayotte: Lol I asked that I get to drive one but Beth thought it would not be well received.

[2022-01-30, 5:44:45 PM] Steve Kanelakos: You drive and I will get in the back seat

[2022-01-30, 5:46:44 PM] Steve Kanelakos: I'm going to come into the office tomorrow. I realize parking garage is closed so I will park in the media spots outdoors on the Lisgar St lot. Can u let Clayton know and ask him to advise the Security staffers at city hall ?

[2022-01-30, 5:47:29 PM] Kim Ayotte: Sure...

[2022-01-30, 5:52:46 PM] Kim Ayotte: I sent Clayton a message, I don't know if he's going to require license plate numbers. I'll let you know but will both be parking there.

[2022-01-30, 6:04:43 PM] Kim Ayotte: Nice car... do you like it?

[2022-01-30, 6:06:02 PM] Steve Kanelakos: It's a great car. Really have enjoyed it. It's a great all rounder. Performance and luxury.

[2022-01-30, 6:09:01 PM] Kim Ayotte: Nice

[2022-01-30, 6:25:10 PM] Kim Ayotte: Clayton responded and we are both good!

[2022-01-30, 6:25:32 PM] Kim Ayotte: I will let him know that if we get a ticket... he will be paying!

[2022-01-30, 6:30:09 PM] Steve Kanelakos: Lol! And he will have to buy us lunch

[2022-01-30, 6:31:36 PM] Kim Ayotte: He agreed to pay the tickets... I don't know about lunch, that one might be on us. We could flip for it!

[2022-01-30, 7:03:01 PM] Kim Ayotte: Re: David White's email... in my opinion there are several enforcement options the police could take before getting an injunction... all of which would have the same effect regarding the increase in risk. David is right that police may be trying to shift the attention to the City.

[2022-01-30, 7:15:55 PM] Steve Kanelakos: I just spoke to David. This is classic Sloly. Deflect to someone else cause he's taking heat now on social media. An injunction won't solve this. I don't even think we would get one. And who would it be against?? I going to call Serge to give him a heads up.

[2022-01-30, 7:16:01 PM] Steve Kanelakos: Will keep you posted

[2022-01-30, 7:16:34 PM] Kim Ayotte: Thanks...

[2022-01-30, 7:32:34 PM] Steve Kanelakos: Spoke to Steinbachs. His read of the meeting is different than how David interpreted it. Will fill u in tomorrow

[2022-01-30, 7:42:14 PM] Kim Ayotte: Okay

[2022-01-30, 7:50:56 PM] Kim Ayotte: From Clayton.... "If you want to park in the garage I can make it happen. I am posting a guard on the P1 Elgin entrance tomorrow morning to facilitate access for Police Services staff who work at the Courthouse between 8 - 11. Just let me know if that's what you or Steve decide so I can let the guards know."

[2022-01-30, 7:51:10 PM] Kim Ayotte: I am inclined to say yes!

[2022-01-30, 8:04:40 PM] Kim Ayotte: I told Clayton that we would take him up on his offer to park inside. If you decide otherwise, let me know!

[2022-01-30, 8:13:32 PM] Steve Kanelakos: I'm on for that. Let him know that I will be there at 8

[2022-01-30, 8:13:49 PM] Kim Ayotte: Done

[2022-01-30, 8:14:26 PM] Steve Kanelakos: Steve Box is coming in too so let him in. Let Clayton know. Thx

[2022-01-30, 8:14:53 PM] Kim Ayotte: Will do

[2022-01-30, 8:16:11 PM] Steve Kanelakos: Yes

[2022-01-31, 7:24:55 AM] Kim Ayotte: Got into the parking lot... no problems

[2022-01-31, 7:32:43 AM] Kim Ayotte: Got a call from Pierre last night... police are asking for their support in getting an injunction. I told him to hold off with the discussions until we have time to discuss today.

[2022-01-31, 7:40:28 AM] Steve Kanelakos: On my way

[2022-01-31, 8:42:52 AM] Kim Ayotte: I will come to your office at 9:00

[2022-01-31, 9:59:03 AM] Kim Ayotte: You are right... he can retire in 2 years... he will have 30 years in omers and he currently 49

[2022-01-31, 10:21:01 AM] Steve Kanelakos: Well that's good news! He is exempt.

[2022-01-31, 10:32:28 AM] Kim Ayotte: <attached: 00000428-PHOTO-2022-01-31-10-32-28.jpg>

[2022-01-31, 10:51:18 AM] Kim Ayotte: Is it worth it to invite Brockington to the meeting?

[2022-01-31, 10:51:46 AM] Kim Ayotte: Or will that cause a quorum

[2022-01-31, 10:58:10 AM] Steve Kanelakos: No way.

[2022-01-31, 10:59:01 AM] Kim Ayotte: Lol

[2022-01-31, 12:37:45 PM] Kim Ayotte: Pocket dial

[2022-01-31, 2:09:19 PM] Steve Kanelakos: Can you please ask your staff to let Corp security know that the Mayor will be driven to City Hall in a non City vehicle tomorrow morning between 7:45 and 8:15. Can you please grant him access via the Nepean/Elgin Street parkade? Thanks very much!

[2022-01-31, 2:24:03 PM] Kim Ayotte: Will do

[2022-01-31, 2:27:32 PM] Kim Ayotte: Done and they are on it

[2022-01-31, 2:27:45 PM] Kim Ayotte: Also going to call Brockington

[2022-01-31, 2:28:23 PM] Steve Kanelakos: Ok. That's good. He's an idiot about this

[2022-01-31, 2:35:30 PM] Kim Ayotte: Called him and gave a bit of what was discussed this morning (I didn't let on that other councillors were there) He seems better and appreciated the call.

[2022-01-31, 2:39:04 PM] Steve Kanelakos: You're becoming the Brockington whisperer

[2022-01-31, 3:00:15 PM] Kim Ayotte: Lol

[2022-01-31, 5:17:53 PM] Kim Ayotte: I need a beer!

[2022-01-31, 5:26:17 PM] Steve Kanelakos: I need a double rum. Peter was way to long on his responses. His msgs were diluted.

[2022-01-31, 5:26:57 PM] Kim Ayotte: Lol but he did a good job with the risks...

[2022-01-31, 5:27:12 PM] Kim Ayotte: He loves the stuff

[2022-01-31, 5:27:44 PM] Steve Kanelakos: Yes. It

[2022-01-31, 5:28:15 PM] Steve Kanelakos: Yes but if you aren't crisp people stop listening and can't hear your key points

[2022-01-31, 5:28:31 PM] Kim Ayotte: True

[2022-02-01, 2:23:15 PM] Kim Ayotte: Just wondering g if with you are Steve Box will be attending the 2:30 meeting about the Rideau Centre

[2022-02-01, 2:24:36 PM] Steve Kanelakos: I won't be.

[2022-02-01, 2:24:58 PM] Kim Ayotte: Okay thanks...

[2022-02-01, 3:44:24 PM] Kim Ayotte: Steve B will brief you but businesses are starting to get angry that there is no end in sight

[2022-02-01, 3:49:56 PM] Steve Kanelakos: Yes he let me know. That is going to be the issue as each day passes. Pressure is building.

[2022-02-01, 3:57:29 PM] Kim Ayotte: I have a call in to Deputy Trish Ferguson to see where they are at with their risk assessment and options. Keep you posted!

[2022-02-01, 4:18:37 PM] Steve Kanelakos: Ok. Thx

[2022-02-01, 6:56:45 PM] Steve Kanelakos: Did you connect with Trish?

[2022-02-01, 7:00:04 PM] Kim Ayotte: No but I just had a meeting with the Hospital CEOs and Steve Bell. Not much to report but we continue to build the case for an injunction if we need to go there. Nothing on risk but I will get that from Trish hopefully before the end of the night!

[2022-02-01, 7:19:08 PM] Kim Ayotte: It's not as it seems... let me know when you can take a calll.

[2022-02-01, 9:21:57 PM] Kim Ayotte: Got this message from Roger after you and I last spoke.... Just heard from Fluery who fully supports the enforcement in the market. Apparently deans called him saying she's not happy, doesn't think we should be ticketing, she was going to call Steve K as well. To be clear, sandy hill has been enforced throughout the protest, king Edward is the border, everything north of that we have not been ticketing during the protest. The only new/resumed enforcement that started today was the market (no transports there) we are ticketing everything illegally parked unless the vehicle is occupied, they would be asked to move the vehicle.

[2022-02-01, 9:45:02 PM] Steve Kanelakos: I get all that. Fleury called me tonight again and said he supports the ticketing in the Market until I gave him my perspective on the optics and he wasn't so sure anymore.

[2022-02-01, 9:45:49 PM] Steve Kanelakos: It looks like a double standard.

[2022-02-01, 9:47:06 PM] Kim Ayotte: I see your point about the double standard...

[2022-02-01, 9:47:53 PM] Kim Ayotte: I will see why I could do to fix this!

[2022-02-01, 9:49:16 PM] Steve Kanelakos: I don't know if you can fix it but you better be able to explain it tomorrow at the briefing and for media

[2022-02-01, 9:49:59 PM] Kim Ayotte: Understood!

[2022-02-02, 10:15:48 AM] Steve Kanelakos: Can u confirm who from city will be on the council call today?

[2022-02-02, 10:16:41 AM] Kim Ayotte: I will be... I have not invited anyone else. Should I?

[2022-02-02, 10:17:27 AM] Steve Kanelakos: Should we have Phil on? Beth? Just to have them available in case

[2022-02-02, 10:17:55 AM] Kim Ayotte: Okay...

[2022-02-02, 10:20:21 AM] Kim Ayotte: I invited them.

[2022-02-02, 10:20:47 AM] Steve Kanelakos: Should we ask Donna or Chris Tuck in case we get questions about social service/vulnerable population questions? I know it's a police briefing but council could veer off

[2022-02-02, 10:21:11 AM] Kim Ayotte: Good idea

[2022-02-02, 10:21:16 AM] Steve Kanelakos: Ok

[2022-02-02, 10:21:28 AM] Kim Ayotte: I will ascend then the invite

[2022-02-02, 10:25:10 AM] Steve Kanelakos: Meehan has asked the mayor to declare a state of emergency. Can u be prepared to answer why there is no benefit to do that in this event and what a powers a declaration actually gives us

[2022-02-02, 10:25:39 AM] Kim Ayotte: Yes

[2022-02-02, 10:25:52 AM] Steve Kanelakos: Ok. Thx

[2022-02-02, 3:07:01 PM] Kim Ayotte: Longest questions ever!
[2022-02-02, 3:07:13 PM] Steve Kanelakos: There have hardly any questions
[2022-02-02, 3:07:28 PM] Kim Ayotte: Exactly
[2022-02-02, 3:08:38 PM] Steve Kanelakos: That's why we have to stay in our lane. It's all about police. Don't get in the middle of that
[2022-02-02, 3:09:44 PM] Kim Ayotte: Agree 100%

[2022-02-02, 3:39:16 PM] Kim Ayotte: Do you want to take that one or do you want me to take it?
[2022-02-02, 3:40:47 PM] Steve Kanelakos: Do u have a number?
[2022-02-02, 3:41:19 PM] Kim Ayotte: Nothing from Finance yet
[2022-02-02, 3:41:33 PM] Steve Kanelakos: Ok. I knew that. I will take it

[2022-02-03, 8:50:05 AM] Kim Ayotte:
https://www.reddit.com/r/PublicFreakout/comments/sie642/freedom_truckers_have_been_honking_their_horns/?utm_medium=android_app&utm_source=share
[2022-02-03, 9:47:54 AM] Kim Ayotte: Meeting with Mayor at 10:30... my gut tells me that he will want to know where we are at regarding declaring a State of Emergency.
[2022-02-03, 9:48:15 AM] Steve Kanelakos: That could be
[2022-02-03, 9:50:58 AM] Kim Ayotte: Organizers are having a press conference at 13:00
[2022-02-03, 9:58:42 AM] Steve Kanelakos: Ok. Will watch that
[2022-02-03, 11:43:07 AM] Kim Ayotte: Police are losing public confidence...
[2022-02-03, 12:13:16 PM] Steve Kanelakos: I know
[2022-02-03, 4:18:59 PM] Kim Ayotte: Looks like Mayor is making his requests for action directly to me now. Latest one is for the dismantling of a shed being built next to confederation park... I will send you the tweet
[2022-02-03, 4:19:24 PM] Kim Ayotte:
<https://twitter.com/annieclairebo/status/1489334870753042432?s=10>
[2022-02-03, 4:19:58 PM] Kim Ayotte: EOC is on it... OPS has asked for an NCC officer to attend with a PLT to request that they dismantle it. If they refuse, OPS will discuss next steps with NCRCC.
[2022-02-03, 7:29:30 PM] Kim Ayotte: I'm sure you are getting briefed by Steve B. Let me know if/when you can take a call.
[2022-02-03, 7:30:23 PM] Steve Kanelakos: Ok. Will call you in about half hour or so
[2022-02-03, 7:30:29 PM] Kim Ayotte: Okay
[2022-02-03, 7:42:00 PM] Kim Ayotte: Re: Confed Park: Originally from the EOC we were told that the NCC has confirmed that the fuel has been removed voluntarily. It turns out that it was just hidden

elsewhere on the site. The NCC and Police plan was to request the structure be removed today, with a request to clear all vehicles and individuals starting tomorrow morning (to attempt to minimize/reduce the agitation). This has now changed in that the NCC still wants it removed but the police are saying that it will take between 100-150 officers to do so and they are now leaning towards leaving it there. This is very frustrating for us!

[2022-02-03, 7:43:50 PM] Kim Ayotte: Maybe we should try to speak to Sloly or Steve Bell

[2022-02-03, 7:44:11 PM] Kim Ayotte: It's just feeding into the narrative that the city is doing nothing to protect the citizens.

[2022-02-03, 7:44:16 PM] Steve Kanelakos: Bell told me that they are providing site security until NCC tears everything down tomorrow morning

[2022-02-03, 7:44:48 PM] Kim Ayotte: Okay that would be good... was that a recent conversation?

[2022-02-03, 7:45:00 PM] Steve Kanelakos: Just now. Mayor is all over me

[2022-02-03, 7:45:29 PM] Kim Ayotte: Okay can I share with EOC or do we just leave it for police to share that direction.

[2022-02-03, 7:46:02 PM] Steve Kanelakos: Leave it for police to share.

[2022-02-03, 7:46:22 PM] Kim Ayotte: Good thanks!

[2022-02-03, 7:49:09 PM] Steve Kanelakos: I'm checking back with police based on what u told me. This is nuts

[2022-02-03, 7:53:21 PM] Kim Ayotte: Why wait until tomorrow morning... do it tonight... less risk when no one is around!

[2022-02-03, 7:57:22 PM] Steve Kanelakos: No. That makes too much sense! NCC has to take it down

[2022-02-03, 8:29:30 PM] Kim Ayotte: Appears they are still allowing the distribution of diesel fuel to protesters contrary to what Sloly told the mayor earlier today.

[2022-02-03, 8:30:25 PM] Steve Kanelakos: I saw that. Crazy. I'm on to Bell about the shed. He's on it. Told him it has to be taken down. It's not a decision for mayor tomorrow

[2022-02-03, 8:31:09 PM] Kim Ayotte: Crazy...

[2022-02-03, 8:31:35 PM] Kim Ayotte: Very glad you have such a great relationship with those guys!

[2022-02-04, 8:31:49 AM] Kim Ayotte:

[2022-02-04, 8:36:16 AM] Kim Ayotte: If you want a front row seat of them taken down the structure you can come up to my office for 10:00

[2022-02-04, 8:36:37 AM] Steve Kanelakos: Only if you're doing it

[2022-02-04, 8:37:11 AM] Kim Ayotte: Lol I brought my tool pouch!

[2022-02-04, 9:01:40 AM] Steve Kanelakos: That Facebook video says it all. They have no fear

[2022-02-04, 9:07:05 AM] Kim Ayotte: Exactly... hopefully they move out all the vehicles as well and not just the structure. That was the original plan!

[2022-02-04, 12:53:27 PM] Steve Kanelakos: Anything happening at Confed Park?

[2022-02-04, 12:53:42 PM] Steve Kanelakos: If not, we are sending you over there

[2022-02-04, 12:53:45 PM] Kim Ayotte: Nope...

[2022-02-04, 12:54:30 PM] Kim Ayotte: Nothing from police

[2022-02-04, 12:55:09 PM] Kim Ayotte: Trish is coming to EOCCG so hopefully we could get a sense of what's going on from her!

[2022-02-04, 12:56:29 PM] Steve Kanelakos: Ok.

[2022-02-04, 12:57:21 PM] Kim Ayotte: I wish I had my tuque with me... I would go for a walk to see for myself what is going on... going without a hat might cause someone to recognize me!

[2022-02-04, 1:23:54 PM] Kim Ayotte: More green vests on the ground but they all just look like they are chatting with protesters

[2022-02-04, 1:37:12 PM] Kim Ayotte: From Trish Ferguson... " 1255 they were going in... can you see them there now?

[2022-02-04, 1:39:09 PM] Kim Ayotte: From my view... they appear to be mingling with the crowd and not doing anything.

[2022-02-04, 2:53:45 PM] Kim Ayotte: Excellent update...

[2022-02-04, 6:37:58 PM] Kim Ayotte: Do you want to advise the Mayor about towing companies or do you want me to do it!

[2022-02-04, 6:48:40 PM] Steve Kanelakos: Over to you:) I only deliver good news. Lol!!

[2022-02-04, 6:48:53 PM] Kim Ayotte: Haha

[2022-02-04, 7:09:16 PM] Kim Ayotte: I may have overstepped... But I told the mayor that he should publicly let the tow truck operators know that the city issues them a license now.

[2022-02-04, 7:16:46 PM] Steve Kanelakos: And we should cancel their contracts with us if we can

[2022-02-04, 7:17:03 PM] Steve Kanelakos: And they will end up joining the protest....

[2022-02-04, 7:17:22 PM] Kim Ayotte: Sounds like they already have!

[2022-02-04, 7:17:47 PM] Steve Kanelakos: What was mayors reaction?

[2022-02-04, 7:18:42 PM] Kim Ayotte: Nothing yet... his hair is probably on fire

[2022-02-04, 7:18:53 PM] Steve Kanelakos: Options are limited

[2022-02-04, 7:19:09 PM] Kim Ayotte: Exactly...

[2022-02-04, 7:32:31 PM] Steve Kanelakos: The Intersect updates are actually useless

[2022-02-04, 7:36:37 PM] Kim Ayotte: Agree... I started so continued sending them to you.

[2022-02-04, 7:37:30 PM] Steve Kanelakos: It's ok to keep sending but...

[2022-02-04, 7:38:52 PM] Steve Kanelakos: I can't believe that the shed is still there. Karon said they went on and on about it on CTV Ottawa news at 6

[2022-02-04, 7:39:26 PM] Steve Kanelakos: It's a physical reminder of the impotence of OPS

[2022-02-04, 7:39:35 PM] Kim Ayotte: She did... still nothing

[2022-02-04, 7:39:36 PM] Steve Kanelakos: It's a symbol of the response so far

[2022-02-04, 7:39:52 PM] Kim Ayotte: They actually mentioned that on ctv

[2022-02-04, 7:40:02 PM] Steve Kanelakos: I didn't see it.

[2022-02-04, 7:42:38 PM] Kim Ayotte: What they said was ... it's a symbolic gesture that they can build a structure...

[2022-02-04, 7:43:06 PM] Kim Ayotte: ... And nothing is done about it.

[2022-02-05, 10:56:44 AM] Kim Ayotte: Police let Tractors into the perimeter on Albert last night. I don't have a good feeling about today. I will be surprised is police react to anything this weekend.

[2022-02-05, 10:58:03 AM] Steve Kanelakos: I don't get the strategy.

[2022-02-05, 10:58:34 AM] Kim Ayotte: Just bring in a lot more police to stand around and drink coffee in back rooms.

[2022-02-05, 1:55:42 PM] Kim Ayotte: A lot of police managing them!

[2022-02-05, 1:55:57 PM] Steve Kanelakos: There are hardly any of them

[2022-02-05, 1:56:21 PM] Kim Ayotte: But the have police on their side!!!

[2022-02-05, 1:57:22 PM] Kim Ayotte: Looks like Laurier might me the line in the sand

[2022-02-05, 2:00:27 PM] Kim Ayotte: FYI Rogers Dad is not doing well and may pass at the hospital. I am going to jump on the 2pm Fleury Call

[2022-02-05, 2:15:28 PM] Steve Kanelakos: Ok. I'm sorry to hear that

[2022-02-05, 2:16:20 PM] Kim Ayotte: He had someone else attend the call but Ali am still participating for 30 minutes

[2022-02-05, 2:49:58 PM] Kim Ayotte: <attached: 00000597-PHOTO-2022-02-05-14-49-58.jpg>

[2022-02-05, 2:50:50 PM] Kim Ayotte: Crowd is getting a bit bigger but still staying on their respective sides.

[2022-02-05, 2:51:30 PM] Steve Kanelakos: Number isn't big

[2022-02-05, 3:06:36 PM] Kim Ayotte: 40 cops and the crowd is getting louder on both sides.. numbers still relatively small compared to the hill!

[2022-02-05, 3:08:14 PM] Kim Ayotte: Chants "Freedom" followed by "Go H0me"

[2022-02-05, 4:26:25 PM] Kim Ayotte: Is there a link to the Police Services Board meeting?

[2022-02-05, 4:56:43 PM] Kim Ayotte: If you go to the you tube site.... You can rewind and see her speec..." The city is under siege".... "This is a threat to our democracy"... " A nationwide insurrection"... "driven by madness"

[2022-02-05, 4:59:47 PM] Kim Ayotte: <attached: 00000606-PHOTO-2022-02-05-16-59-47.jpg>

[2022-02-05, 5:00:05 PM] Kim Ayotte: Numbers are light now...

[2022-02-05, 5:00:38 PM] Steve Kanelakos: Well that's good. It's the night that brings out the idiots. Hope we make it thru the night

[2022-02-05, 5:00:53 PM] Kim Ayotte: Agree

[2022-02-05, 5:53:28 PM] Kim Ayotte: Oh yeah... I can't see what happening in Confed Park because it's dark out but there appears to be some movement. I am going to go down for a walk and I will report back

[2022-02-05, 5:53:45 PM] Steve Kanelakos: Be careful. You look like a cop

[2022-02-05, 5:54:05 PM] Kim Ayotte: I brought some bum looking clothes today

[2022-02-05, 5:59:54 PM] Kim Ayotte: Unfortunately nothing to report everything is still there

[2022-02-05, 6:00:45 PM] Steve Kanelakos: Peter said this morning that it might be Wednesday before he can safely move in

[2022-02-05, 6:03:05 PM] Kim Ayotte: Trish shared at the police services board that they've made headway in the last three hours so when I looked out my window I thought I could see some movement

[2022-02-05, 8:02:16 PM] Kim Ayotte: You deleted this message.

[2022-02-05, 8:02:56 PM] Kim Ayotte: Good News... I'm told Confederation Park has been cleared out. That being said I'm not there to see it myself. I've also found out that the kitchen was relocated to under the Laurier bridge but that was only temporary if anybody ask and it will be moved out shortly as well.

[2022-02-05, 8:06:11 PM] Steve Kanelakos: I'm surprised. How did that come about?

[2022-02-05, 8:07:02 PM] Kim Ayotte: I guess Police managed to negotiate it. Now I'm only concerned because I'm getting reports That vehicles are setting up in the Sandy Hill arena parking lot. We've notified Police of that as well.

[2022-02-05, 8:07:29 PM] Steve Kanelakos: We need to confirm before we advise the mayor.

[2022-02-05, 8:08:06 PM] Kim Ayotte: Working on it!!!

[2022-02-05, 8:42:57 PM] Steve Kanelakos: Have we confirmed that Confed cleared?

[2022-02-05, 8:44:17 PM] Kim Ayotte: Still wait for police report... I have only seen one photo of the kitchen under the Laurier street bridge. Police say it should be gone now but the person who went out to confirm has not reported back yet. Let me see what's taking so long.

[2022-02-05, 8:47:14 PM] Steve Kanelakos: Ok.

[2022-02-05, 9:50:10 PM] Steve Kanelakos: Have we confirmed yet that Confed is clear?

[2022-02-05, 9:50:47 PM] Kim Ayotte: Sorry man I think I might have to go for a ride.

[2022-02-05, 9:51:08 PM] Steve Kanelakos: Alright. Will deal with it in the morning.

[2022-02-05, 9:51:33 PM] Kim Ayotte: I will be there around 7am and will confirm then!

[2022-02-05, 9:52:10 PM] Steve Kanelakos: We do know that the shed is no longer in its original spot right?

[2022-02-05, 9:52:29 PM] Kim Ayotte: Yea

[2022-02-05, 9:52:33 PM] Steve Kanelakos: Ok.

[2022-02-05, 9:52:53 PM] Kim Ayotte: Pocket dial

[2022-02-05, 9:57:39 PM] Kim Ayotte: I will send you a photo first thing in the morning that you could give the Mayor

[2022-02-05, 9:58:37 PM] Steve Kanelakos: Ok

[2022-02-06, 7:07:30 AM] Kim Ayotte: <attached: 00000637-PHOTO-2022-02-06-07-07-29.jpg>

[2022-02-06, 7:07:59 AM] Kim Ayotte: They moved it under the bridge overnight but it's back in place this morning!

[2022-02-06, 7:27:33 AM] Kim Ayotte: From Police... The NCC Crew is putting up the fence around the park right now. The shack will be dealt with next

[2022-02-06, 7:28:05 AM] Kim Ayotte: I see the crews with the fencing

[2022-02-06, 7:30:55 AM] Kim Ayotte: I have advised Serge this morning. Bad new comes from me right!

[2022-02-06, 7:31:01 AM] Kim Ayotte: I am not seeing any protesters on site... just NCC workers

[2022-02-06, 8:04:33 AM] Kim Ayotte: You deleted this message.
[2022-02-06, 8:56:39 AM] Steve Kanelakos: These guys are fucking with us. Making us look like idiots here in ottawa. I don't understand why police can't act and get it done? It's crazy making
[2022-02-06, 9:09:02 AM] Kim Ayotte: I think all decisions are made based on the Chief's last name!
[2022-02-06, 9:13:52 AM] Kim Ayotte: <attached: 00000647-PHOTO-2022-02-06-09-13-52.jpg>
[2022-02-06, 11:12:28 AM] Kim Ayotte: Wow... it's terrible that he is so misinformed
[2022-02-06, 11:12:41 AM] Kim Ayotte: Shed is still there and nothing has occurred
[2022-02-06, 11:12:49 AM] Steve Kanelakos: I know
[2022-02-06, 11:17:31 AM] Steve Kanelakos: From Bell:

Yes it is. The structure is coming down now, the fencing is otw way to set it up. We own.iy just need to secure it with more than our.people now.

[2022-02-06, 11:17:31 AM] Kim Ayotte: He should stop talking
[2022-02-06, 11:17:44 AM] Steve Kanelakos: Can u see anything?
[2022-02-06, 11:18:04 AM] Kim Ayotte: Nothing new
[2022-02-06, 11:18:48 AM] Kim Ayotte: <attached: 00000655-PHOTO-2022-02-06-11-18-48.jpg>
[2022-02-06, 11:19:28 AM] Kim Ayotte: Police car still sitting in front of it!
[2022-02-06, 11:29:27 AM] Kim Ayotte: I'm sure everyone is thinking this... the police numbers on the ground seem very low!
[2022-02-06, 11:32:43 AM] Steve Kanelakos: Bell says they own the site now and it's under control.
[2022-02-06, 11:32:52 AM] Steve Kanelakos: Confed
[2022-02-06, 11:33:44 AM] Kim Ayotte: They maybe saying that because everything is on the road but they certainly have not solved the problem... everything is on the street
[2022-02-06, 11:34:44 AM] Kim Ayotte: That is not a success on my mind and I'm sure the Mayor will also have a problem with it!
[2022-02-06, 11:37:24 AM] Kim Ayotte: <attached: 00000662-PHOTO-2022-02-06-11-37-24.jpg>
[2022-02-06, 11:37:47 AM] Kim Ayotte: It still looks like this... not my idea of success!
[2022-02-06, 11:38:44 AM] Steve Kanelakos: Gaslighting
[2022-02-06, 11:39:32 AM] Kim Ayotte: Great description!
[2022-02-06, 12:07:50 PM] Kim Ayotte: Thanks for inviting me to that meeting... great to see the dynamic and conversation unfold.
[2022-02-06, 12:09:04 PM] Kim Ayotte: Definitely a lot less people in town today!!!
[2022-02-06, 12:10:57 PM] Kim Ayotte: <attached: 00000668-PHOTO-2022-02-06-12-10-57.jpg>
[2022-02-06, 12:11:31 PM] Kim Ayotte: This is the dance party at Rideau and Sussex
[2022-02-06, 12:11:39 PM] Steve Kanelakos: I saw a Twitter pic of the shed being torn down
[2022-02-06, 12:12:46 PM] Kim Ayotte: That is so weird... because it is till there
[2022-02-06, 12:13:08 PM] Kim Ayotte: I'll go do another recce
[2022-02-06, 12:13:12 PM] Steve Kanelakos:

[2022-02-06, 12:15:06 PM] Kim Ayotte: That action is taking place.. they are just cleaning up... it might be coming down soon but still there
[2022-02-06, 12:22:21 PM] Kim Ayotte: <attached: 00000675-PHOTO-2022-02-06-12-22-20.jpg>
[2022-02-06, 12:22:37 PM] Kim Ayotte: You deleted this message.
[2022-02-06, 12:23:07 PM] Kim Ayotte: The organizer just gave a small speech and he said that they are moving the site to Coventry
[2022-02-06, 12:24:24 PM] Kim Ayotte: So I guess we should take it as a small win and look for the larger bottle at Coventry down the road
[2022-02-06, 12:31:28 PM] Kim Ayotte: I might head home unless you think there will be a council meeting today
[2022-02-06, 12:32:06 PM] Steve Kanelakos: No council meeting today. They held them off. Booked for tomorrow
[2022-02-06, 12:32:22 PM] Kim Ayotte: Okay thanks
[2022-02-06, 1:21:11 PM] Kim Ayotte: Heading home and no the shed has not been dismantled yet.... They are working very Sloly
[2022-02-06, 1:31:43 PM] Steve Kanelakos: Oh god. I find it hard to have confidence in their ability to execute the tactical plans Peter talked about this morning

[2022-02-06, 1:32:38 PM] Kim Ayotte: When it gets to that point they'll be different commanders involved and I hope it'll be different.

[2022-02-06, 1:50:24 PM] Steve Kanelakos: From Serge:

Mayor is asking if MTO could provide some tow trucks they use on 400 series highway. Can we assume they are all/mostly private sector operators? Not directly owned by MTO?

[2022-02-06, 1:50:47 PM] Steve Kanelakos: Can we hear an update on status of tow truck availability?

[2022-02-06, 1:55:05 PM] Steve Kanelakos: Get*

[2022-02-06, 1:55:45 PM] Steve Kanelakos: This is my response to Serge:

I believe they contract towing services. I've asked for an update on status of the truck availability. There is a group assigned to that. The question the mayor should be asking is: what is the update on the availability of tow trucks versus trying to manage the specifics. The staff are looking at everything. From my call yesterday, it appears that very few heavy tow trucks are owned and operated by Gov't. The military is the exception

[2022-02-06, 1:58:09 PM] Kim Ayotte: Thanks... Your responses are bang on! Demers only asking because it's on the news right now the tow truck operators are siding with the truck convoy officially

[2022-02-06, 1:58:40 PM] Kim Ayotte: This is what happens when I dictate Demers = the Mayor

[2022-02-06, 1:59:23 PM] Kim Ayotte: I will ask the EOC to get that!

[2022-02-06, 1:59:51 PM] Steve Kanelakos: The mayor manages and leads by Twitter which interestingly the Feds said the same about their bosses

[2022-02-06, 2:00:44 PM] Kim Ayotte: I think it's a political thing... good to know, I will have to pay more attention to twitter even though I have it!

[2022-02-06, 2:00:53 PM] Kim Ayotte: Tony was very good at it!

[2022-02-06, 2:23:00 PM] Kim Ayotte: Beth is confirming with Police but the last info from and EOC is as follows.... Beth just talked to By-Law and our contracts are status quo -- they are refusing to tow convoy members because they say that those are their clients and it's bad for business. On Friday, we apparently reached out to the CEO of the CAA to see if we could somehow leverage that CAA affiliation to get buy in from towing companies. We haven't heard back. Every licensed towing company in the area has been called and they are all saying no.

[2022-02-06, 2:23:47 PM] Kim Ayotte: Beth just got off the phone with Police. They confirmed the same. At one point on Thursday, they thought Metro might be willing but Metro came back Friday with a refusal. No one will tow in the region.

[2022-02-06, 2:25:03 PM] Steve Kanelakos: Does MTO have tow trucks? Or do they contract? That is Mayors question.

[2022-02-06, 2:25:22 PM] Kim Ayotte: I think we all know that with 500 vehicles in the city towing is not the answer.

[2022-02-06, 2:25:58 PM] Steve Kanelakos: Yes but we still need to find out about MTO

[2022-02-06, 2:26:28 PM] Kim Ayotte: We are still trying to confirm that but everyone believes they contract out that service. Stand by

[2022-02-06, 2:26:57 PM] Steve Kanelakos: Ok.

[2022-02-06, 2:30:12 PM] Steve Kanelakos:

<https://twitter.com/grahamctv/status/1490400400037588998?s=10>

[2022-02-06, 2:30:25 PM] Steve Kanelakos: Things are heating up politically

[2022-02-06, 2:34:28 PM] Kim Ayotte: I sensed that might happen when they made it clear that Justice was not on the call and then the back and forth between the Feds and Province

[2022-02-06, 2:35:36 PM] Kim Ayotte: 1500 officers from the OPP on the ground?????

[2022-02-06, 2:43:04 PM] Steve Kanelakos: I think she meant opp and all others but that total number isn't right

[2022-02-06, 2:43:52 PM] Kim Ayotte: It certainly makes OPS look really bad

[2022-02-06, 2:46:45 PM] Steve Kanelakos: That was the point. Peter started pointing fingers last week. Don't fuck with PM or Premier. They have the resources and ability to crush you publicly. Big loudspeakers!

[2022-02-06, 2:48:05 PM] Kim Ayotte: So true!

[2022-02-06, 3:27:30 PM] Kim Ayotte: Re MTO.... no, they have no tow trucks of their own. They also say they have no tools/levers to force towing companies to provide service. They say that the MTO

senior leadership is discussing options at high level to assist Police but have not landed on a solution to this towing problem.

[2022-02-06, 4:56:20 PM] Steve Kanelakos: Thx for this. I've passed it on to Serge and told him that the mayor has to get off this line of thinking cause towing won't end it. Towing will be required after it is ended by some other means

[2022-02-06, 5:53:58 PM] Kim Ayotte:

https://twitter.com/gray_mackenzie/status/1490441156139880449?s=24

[2022-02-06, 5:54:16 PM] Kim Ayotte: The disconnect continues !

[2022-02-06, 6:07:56 PM] Steve Kanelakos: I know !!

[2022-02-06, 6:54:14 PM] Steve Kanelakos: From mayor:

I asked John Tory to see if he can lend us big tow trucks. He said that acted as a good deterrent for truckers to move on their own and he will see how many they can spare

[2022-02-06, 6:55:36 PM] Steve Kanelakos: We have to start looking broader for tow trucks and check in with the larger cities and Regions in Ontario and see what we can pull together

[2022-02-06, 7:03:09 PM] Kim Ayotte: Okay... We will work on it!

[2022-02-06, 8:18:44 PM] Kim Ayotte: <https://twitter.com/judyatrinh/status/1490490516689072128?s=10>

[2022-02-06, 8:18:56 PM] Steve Kanelakos: Yes saw that

[2022-02-06, 8:19:19 PM] Kim Ayotte: Can't help but feeling a bit proud!

[2022-02-06, 8:19:25 PM] Steve Kanelakos: Lol!

[2022-02-06, 8:19:35 PM] Kim Ayotte: Haha

[2022-02-07, 7:53:35 AM] Kim Ayotte: Good news... the shack and all vehicles are gone and have not returned overnight.

[2022-02-07, 8:08:29 AM] Steve Kanelakos: Beauty!

[2022-02-07, 11:26:22 AM] Kim Ayotte: Can't believe that this is viewed as new info.

[2022-02-07, 1:51:18 PM] Steve Kanelakos: You ready to go on?

[2022-02-07, 1:52:02 PM] Kim Ayotte: Yea but it won't be that long

[2022-02-07, 1:52:40 PM] Steve Kanelakos: Smart!

[2022-02-07, 4:06:15 PM] Steve Kanelakos: You have your hand up

[2022-02-07, 4:06:59 PM] Kim Ayotte: Lol thanks.... What I can't ask questions LOL

[2022-02-07, 4:07:26 PM] Steve Kanelakos: Ok Councillor Ayotte

[2022-02-07, 4:16:53 PM] Kim Ayotte: Never.... Ever...

[2022-02-07, 4:17:13 PM] Steve Kanelakos: You can't afford the pay cut

[2022-02-07, 4:46:55 PM] Steve Kanelakos: <attached: 00000734-PHOTO-2022-02-07-16-46-55.jpg>

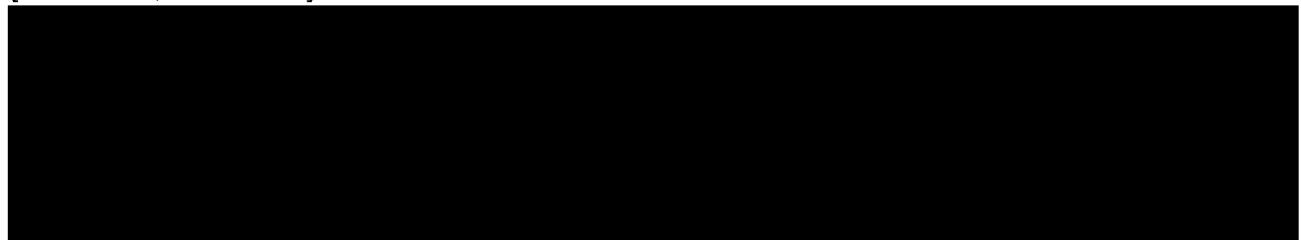

[2022-02-07, 4:47:12 PM] Steve Kanelakos: These are the tow truck companies Toronto used this weekend. This is from Mayor Tory.

[2022-02-07, 4:47:27 PM] Kim Ayotte: Okay... I will pass it on!

[2022-02-07, 4:49:25 PM] Steve Kanelakos: I think it's bs but let me know what we find out. I want to report back to mayor and finally debunk this or give him good news

[2022-02-07, 5:35:13 PM] Kim Ayotte: Let me know when you are back and I will look after questions until then.

[2022-02-07, 5:36:05 PM] Steve Kanelakos: I'm back. Thx Kim

[2022-02-08, 11:35:21 AM] Kim Ayotte: We now have one heavy tow truck from Metro towing. They have agreed to provide one heavy truck in accordance with their contract. Roger Chapman was working this out with them and allowed them to remove their logo from the truck for safety reasons. This is now with the NCRCC

[2022-02-08, 11:47:44 AM] Steve Kanelakos: Excellent

[2022-02-08, 11:55:06 AM] Kim Ayotte: EOC and NCRCC are working on compound locations for the

trucks. I will advise when they have confirmed site(s)

[2022-02-08, 11:56:38 AM] Steve Kanelakos: Ok.

[2022-02-08, 1:46:23 PM] Kim Ayotte: How are thing going? Don't sell the farm LOL

[2022-02-08, 3:09:55 PM] Steve Kanelakos: I gave everything away

[2022-02-08, 3:10:18 PM] Kim Ayotte: LOL...

[2022-02-08, 3:11:00 PM] Kim Ayotte: Did you get the Tripartite meeting request for 4:15 today? The invite is for Peter Sloly and I. Just checking, I could send it to you.

[2022-02-08, 3:12:34 PM] Steve Kanelakos: Yes I'm booked in

[2022-02-08, 3:12:46 PM] Kim Ayotte: Great

[2022-02-08, 3:13:23 PM] Steve Kanelakos: It will be an interesting one

[2022-02-08, 3:14:14 PM] Kim Ayotte: Looking forward to hearing about your afternoon.

[2022-02-08, 3:17:15 PM] Steve Kanelakos: Will tell you all about it. Fascinating. Made some headway I think. Will see if they do what they said they would do

[2022-02-08, 4:19:46 PM] Kim Ayotte: Not getting any audio

[2022-02-08, 4:20:15 PM] Steve Kanelakos: I hate WebEx

[2022-02-08, 4:31:40 PM] Kim Ayotte: Using phone for audio.

[2022-02-08, 4:51:54 PM] Kim Ayotte: Was part of the deal to allow them to bring portabpotties?

[2022-02-08, 4:58:51 PM] Steve Kanelakos: Nope

[2022-02-08, 4:58:59 PM] Steve Kanelakos: Not even raised W me

[2022-02-08, 4:59:20 PM] Kim Ayotte: <attached: 00000766-PHOTO-2022-02-08-16-59-19.jpg>

[2022-02-08, 4:59:39 PM] Kim Ayotte: Okay thanks...

[2022-02-08, 5:01:07 PM] Steve Kanelakos: Police may have agreed to portopotties cause part of the deal is to clear Rideau St

[2022-02-08, 5:01:18 PM] Kim Ayotte: Being told that is is a PLT negotiating tactic

[2022-02-08, 5:01:23 PM] Kim Ayotte: Okay

[2022-02-08, 5:02:21 PM] Steve Kanelakos: I said show me something in good faith. Move the trucks from Rideau now.

[2022-02-08, 5:21:39 PM] Kim Ayotte: That would be good. I don't think PETER is getting the resources he's asking for just a feeling I have

[2022-02-08, 5:56:45 PM] Steve Kanelakos: Not a chance

[2022-02-08, 5:57:51 PM] Kim Ayotte: So this will last for a while yet!

[2022-02-08, 5:58:23 PM] Steve Kanelakos: Settle in for an occupation

[2022-02-08, 7:20:49 PM] Kim Ayotte: I will advise Renee unless you have already done so!

[2022-02-08, 7:28:09 PM] Steve Kanelakos: I haven't advised Renee. I let Bell know. Crazy

[2022-02-08, 7:30:01 PM] Kim Ayotte: Okay I will give her a heads up

[2022-02-08, 7:44:01 PM] Kim Ayotte: I let Renée know

[2022-02-08, 7:44:06 PM] Steve Kanelakos: Thank u

[2022-02-09, 10:04:03 AM] Steve Kanelakos: Did they clear Rideau intersection?

[2022-02-09, 10:04:28 AM] Kim Ayotte: They did not!

[2022-02-09, 10:04:48 AM] Steve Kanelakos: They should pull the toilets then

[2022-02-09, 10:08:16 AM] Kim Ayotte: <attached: 00000784-PHOTO-2022-02-09-10-08-15.jpg>

[2022-02-09, 10:21:02 AM] Kim Ayotte: Police senior staff are all busy but Peter Sloly can join GIS at 10:30

[2022-02-09, 10:21:15 AM] Kim Ayotte: You deleted this message.

[2022-02-09, 10:21:55 AM] Steve Kanelakos: Ok. I will message the mayor. Are u going to arrange to get him linked in

[2022-02-09, 10:21:59 AM] Steve Kanelakos: ?

[2022-02-09, 10:22:06 AM] Kim Ayotte: Yes

[2022-02-09, 11:01:59 AM] Steve Kanelakos: Thx for the pic

[2022-02-09, 11:32:57 AM] Kim Ayotte: I Meade notes but stole all my speaking points LOL

[2022-02-09, 12:28:19 PM] Kim Ayotte: We won't be able to get one regarding fire hazards

[2022-02-09, 12:32:47 PM] Kim Ayotte: This is painful

[2022-02-09, 12:41:54 PM] Steve Kanelakos: They are panicked. Want to be seen doing something or anything

[2022-02-09, 1:33:18 PM] Kim Ayotte: Set fines have been approved!

[2022-02-09, 1:35:53 PM] Steve Kanelakos: Great news. How are you going to communicate that and to

whom?

[2022-02-09, 1:36:18 PM] Kim Ayotte: Tested it to the mayor after you

[2022-02-09, 1:37:32 PM] Steve Kanelakos: Well that's a smooth move lol

[2022-02-09, 2:08:23 PM] Kim Ayotte: We are also going to issue a press release on this issue.

[2022-02-09, 2:11:27 PM] Steve Kanelakos: Ok

[2022-02-09, 2:11:51 PM] Kim Ayotte: Can you take a call?

[2022-02-09, 2:12:04 PM] Steve Kanelakos: No. With mayor

[2022-02-09, 6:22:55 PM] Kim Ayotte: Not sure if you heard.... Operation delayed 24 hours

[2022-02-09, 6:35:14 PM] Steve Kanelakos: Why?

[2022-02-09, 6:36:25 PM] Kim Ayotte: I don't know... have just been advised by fire contact at NCRCC

[2022-02-10, 7:31:53 AM] Steve Kanelakos: Did they in fact delay the operation 24 hours?

[2022-02-10, 7:33:21 AM] Kim Ayotte: I haven't heard but I'm just pulling into the office I'll let you know in five minutes

[2022-02-10, 7:33:55 AM] Steve Kanelakos: Ok. Trying to decide if I'm going to drive in with my hockey helmet on

[2022-02-10, 7:41:23 AM] Kim Ayotte: The trucks are still all there so they did not proceed this morning!

[2022-02-10, 7:41:32 AM] Steve Kanelakos: Ok. Thx

[2022-02-10, 4:07:20 PM] Kim Ayotte: Let me know when you can chat

[2022-02-10, 4:18:16 PM] Steve Kanelakos: From Fleury:

Kim is offering a meeting with Rideau Centre and also says he has no update...

[2022-02-10, 4:18:27 PM] Steve Kanelakos: Can we be more mature as an organisation and respect our largest commercial property?

[2022-02-10, 4:18:57 PM] Steve Kanelakos: My response:

You and other councillors keep pushing these issues over to city staff. We need to get the Ottawa police to the meeting to talk about what is expected this weekend and what the police plans are. None of us at the City have an ability to satisfy the information needs of property owners in the red zone and surrounding areas. I am not accountable for the police plans or actions they take. I'm accountable for city services which support the police efforts in an integrated command structure. I wish you and your colleagues would recognize that police are the lead and are the only ones who can provide insight and answers to your questions and push the police through the chief and the Chair to be responsive to the needs of councillors and property owners.

[2022-02-10, 4:19:33 PM] Steve Kanelakos: I'm on a call right now. Will call you after

[2022-02-10, 4:19:59 PM] Kim Ayotte: <attached: 00000816-PHOTO-2022-02-10-16-19-58.jpg>

[2022-02-10, 4:20:13 PM] Kim Ayotte: My exchange with Fleury...

[2022-02-10, 4:22:28 PM] Kim Ayotte: I was showing respect by offering to have a meeting with them.

[2022-02-10, 4:25:57 PM] Kim Ayotte: Have been told Op being stood down indefinitely. National strategy afoot. You probably know this but just sharing...

[2022-02-10, 4:33:22 PM] Steve Kanelakos: Thx

[2022-02-10, 7:38:43 PM] Kim Ayotte: You deleted this message.

[2022-02-10, 7:50:06 PM] Steve Kanelakos: Op isn't being stood down indefinitely. They are waiting for the additional resources to arrive and in meantime are having some success to get them to move off Rideau. Not quite a breakthrough yet but they have some hope for tomorrow. 250 new Mounties arriving in next few days. And OPP is apparently sending 500 but still need to confirm that. Feds have shifted monitoring and coordination into their NOC. Feds starting to look at what's happening nationally as a national security issue so we could see them step up in a bigger way. I recommended that they form a national command table with RCMP, OPP, affected municipal police, intelligence arms and military to develop and support execution of strategies. They liked my idea. Will see what happens. Positive news on resourcing though. They won't get 1800 but getting a solid amount. Police want to hit Rideau, Bronson, Coventry etc to clean up the rag tags so that they can focus on the core group. Expecting it to be violent

[2022-02-10, 7:53:48 PM] Kim Ayotte: Unfortunately there's a huge convoy coming in off the 417 I don't know if you saw that

[2022-02-10, 7:53:57 PM] Steve Kanelakos: Yes I did.

[2022-02-10, 7:54:13 PM] Kim Ayotte: Thanks for the update though lol

[2022-02-10, 7:56:28 PM] Kim Ayotte: NCRCC thinks the Convoy is passing through Ottawa. They have not gotten off the 417 at Coventry which is a good sign.

[2022-02-10, 8:52:07 PM] Steve Kanelakos: One of the concerns the mayor raised is the unintended consequences of the higher set fines we just got if the tickets are handed out broadly with the risk that a resident is ticketed for idling and then there is an uproar.

[2022-02-10, 8:52:29 PM] Steve Kanelakos: How do we prevent the unintended consequences?

[2022-02-10, 8:53:14 PM] Steve Kanelakos: I am predicting some grandma on CTV with a \$1,000 ticket for going to visit her husband in a LTC

[2022-02-10, 8:53:23 PM] Kim Ayotte: I spoke to Roger about that and those fines for the purposes of this protest will only be used for protesters

[2022-02-10, 8:54:03 PM] Steve Kanelakos: So they aren't applicable city wide or is it that they will only apply those charges to obvious protesters?

[2022-02-10, 8:55:53 PM] Kim Ayotte: Technically they are applicable to everybody in the city but they'll use their discretion and won't be used for anyone except for the protesters.

[2022-02-10, 8:56:15 PM] Steve Kanelakos: Ok. I will be watching CTV:)

[2022-02-10, 8:57:51 PM] Kim Ayotte: Lol I will tell Roger that if that happens... he will be paying the fine!

[2022-02-10, 9:00:39 PM] Steve Kanelakos: I'm going to put him on CTV

[2022-02-11, 9:05:34 AM] Kim Ayotte: I am seeing the news that the province will likely issue a provincial state of emergency this morning putting stiffer fines and new emergency measures on protesters etc.

[2022-02-11, 9:06:36 AM] Steve Kanelakos: That's good. I heard they are announcing something at 10:30

[2022-02-11, 9:06:51 AM] Kim Ayotte: Yes

[2022-02-11, 10:07:57 AM] Kim Ayotte: Call you back in 2 minutes

[2022-02-11, 11:58:42 AM] Kim Ayotte: I figured that would happen when I saw Fleury and McKenney on the call

[2022-02-11, 12:02:15 PM] Steve Kanelakos: Unbelievable!

[2022-02-11, 1:04:42 PM] Kim Ayotte: Trying to broker a deal

[2022-02-11, 1:11:42 PM] Kim Ayotte: I couldn't watch the whole thing...

[2022-02-11, 1:16:25 PM] Steve Kanelakos: I saw. It's unbelievable

[2022-02-11, 2:09:13 PM] Kim Ayotte: Nice to see but they were swarmed during the exchange

[2022-02-11, 2:09:28 PM] Kim Ayotte: Many police were present

[2022-02-11, 2:31:19 PM] Steve Kanelakos: Wow!

[2022-02-11, 2:31:39 PM] Steve Kanelakos: Trudeau said nothing. No announcement that could help.

[2022-02-11, 2:34:52 PM] Steve Kanelakos: Going to watch the police board at 3. Trying to find out if RCMP actually sent anymore officers

[2022-02-11, 2:54:05 PM] Kim Ayotte: Okay... Fleury meeting was a joke.

[2022-02-11, 3:00:50 PM] Kim Ayotte: Is there a link for the meeting?

[2022-02-11, 3:01:26 PM] Kim Ayotte: Forget it... I got it

[2022-02-11, 3:03:41 PM] Kim Ayotte: Crap... they promotes me to the panel.

[2022-02-11, 3:04:44 PM] Steve Kanelakos: Sign off lol

[2022-02-11, 3:05:14 PM] Kim Ayotte: Just did... I hope it doesn't look bad!

[2022-02-11, 3:08:16 PM] Kim Ayotte: Exchange between Fleury and I... just letting you know because he may reach out again.

[2022-02-11, 3:08:36 PM] Steve Kanelakos: Why is this a gap in city response???

[2022-02-11, 3:09:08 PM] Kim Ayotte: He keeps saying that but I don't know what he is talking about!

[2022-02-11, 3:09:20 PM] Steve Kanelakos: I'm going to talk to him

[2022-02-11, 3:09:29 PM] Kim Ayotte: Okay!

[2022-02-11, 3:42:51 PM] Kim Ayotte: Lol they tried to promote me again to the panel but I was on the phone with David White

[2022-02-11, 4:07:38 PM] Steve Kanelakos: They have announced that you're on the media avail

[2022-02-11, 4:08:08 PM] Kim Ayotte: Yup

[2022-02-11, 4:08:17 PM] Steve Kanelakos: Me to Fleury:

Mat: I don't understand why you keep referring to the City as having a poor response and dissatisfaction with the city in the same breath as you criticize the police. Do you not understand the governance structure and legislation related to police and municipalities? You are frustrated with police response and completely justified based on your experiences. I get that. But the city has done everything in its power to support the police manage this event. As I told you yesterday, I nor my staff are leading the response to this. We are trying to influence but I'm not able to direct them to talk to you, communicate with media, manage stakeholders better or deal with the crime/disorder issues that are happening on our streets. Your focus should be on the board and the chief. It's like something happening at OCH and then council expecting me and my staff to direct you and Stéphane. I'm asking you to stop doing this. It is not helpful and actually makes you and your councillor colleagues look ineffective cause you are critical of the city when the city is not able to respond and end this protest and when councillors have no ability to get city staff to do anything that would end this and you can't direct the police. You are creating expectations on the city but the city as an organization cannot fix this for council. I'm doing everything possible to influence and work over the Feds and the province for more police resources and connecting information to help police and our council. Stop and think about where you should be focusing your efforts...police and the board

[2022-02-11, 4:08:50 PM] Steve Kanelakos: Fleury response:

I appreciate the note but don't fully agree with you.

City enforces by laws.
 City can control street closures
 City can control legal actions.
 City can influence prov and fed actions and attention
 City can put pressure for prov to seize commercial tow trucks.
 [2022-02-11, 4:09:14 PM] Steve Kanelakos: My response:

Let's tackle each one of these:

We are enforcing bylaws but in red zone police control when and where we enforce. It's dangerous for our bylaw officers without police support

We don't control street closures. Police direct street closures. We can't close streets without ensuring that police aren't operationally impacted and don't fit into their tactical decisions. We are directed by police

We control legal actions but David has been too respectful to police. We need them to tell us for our application how they will enforce any injunction orders. It's taken us 10 days and police still haven't told us so I just told our legal today to screw them and file it.

I'm personally on calls with the most senior fed and provincial DM's and senior Ministers multiple times a day asking and trying to get resources, equipment, changes in laws and towing solutions. You have no idea the effort that has been going on to pressure the Feds and province.

The reality is that the prov has not done a thing until today other than send some opp officers.

The province until today told us that they would not help with cancelling commercial licences or seizing

tow trucks and btw, we can seize all the tow trucks we want, we need people to operate them and they won't do it.

[2022-02-11, 4:09:23 PM] Steve Kanelakos: I've had it with him.

[2022-02-11, 4:09:40 PM] Kim Ayotte: No kidding

[2022-02-11, 4:11:51 PM] Kim Ayotte: Thanks for your support... he is not getting it!

[2022-02-11, 4:20:36 PM] Steve Kanelakos: From fleury:

A lot in here.

Great happy you pushed our legal team.

Not true about by law in red zone. OPS is blocking them from ticketing i have a number of examples.

What do you want/need feds to do?

What do you/need prov to do?

What is province saying/doing on tow truck seizure and staff to operate them?

I know you are mad, but finally getting some engagement feels good, I have only be referred to OPS by everyone for over a week now.

[2022-02-11, 4:20:57 PM] Steve Kanelakos: From me:

Yes that's my point...it's not the city that won't ticket in red zone. Police control that space and decide on ticketing

The prov today gave us much of what we have been asking for with the emergency order. Up until today their position was that this is a local police matter to deal with.

The Feds have given us more cops but we need more

Theron's no solution to tow trucks immediately. We are reviewing all of our contracts as is province. But let's be clear...tow trucks will not end this. The trucks will clean it up after it's ended. No way you can tactically tow a heavy truck in this scenario the way they are parked nose to tail without a huge amount of police resources

Yes I'm mad cause the shit is being spread on our shoes and councillors should be more careful about what they expect the city to do versus police. Council doesn't control police so you're all flailing about

[2022-02-11, 4:38:30 PM] Kim Ayotte: <attached: 00000881-PHOTO-2022-02-11-16-38-30.jpg>

[2022-02-11, 4:39:20 PM] Kim Ayotte: He sent me the quote from the PM

[2022-02-11, 4:40:02 PM] Kim Ayotte: I am done talking to him for tonight

[2022-02-11, 4:55:18 PM] Kim Ayotte: My take regarding PM Trudeau remarks is that he is getting that from Bill Blair

[2022-02-11, 4:56:02 PM] Steve Kanelakos: True and from Sol Gen Ontario and Premier

[2022-02-11, 4:56:21 PM] Kim Ayotte: Yes

[2022-02-11, 4:56:44 PM] Kim Ayotte: Sylvia Jones I'd not a fan of Sloly

[2022-02-11, 4:58:34 PM] Steve Kanelakos: Nope. Neither is Premier

[2022-02-11, 8:10:41 PM] Kim Ayotte: You deleted this message.

[2022-02-12, 11:48:24 AM] Kim Ayotte: It Hass to be driving the feds and the province crazy that there's no action being taken

[2022-02-12, 11:51:00 AM] Kim Ayotte: The Mator through Serge asked for a map or aerial photo showing the magnitude of the situation in Ottawa. He asked that can easily be shown on a screen at Council and for media. We are working on it for him

[2022-02-12, 11:51:21 AM] Steve Kanelakos: Yes I know.

[2022-02-12, 11:52:19 AM] Kim Ayotte: Perfect, I figured you did but decided to let you know in case.

[2022-02-12, 12:04:23 PM] Steve Kanelakos: Thank you

[2022-02-12, 12:07:58 PM] Kim Ayotte: The reports of a beer tent and hot tubs on Wellington are correct. Apparently, a spa was delivered this morning.

[2022-02-12, 12:11:18 PM] Steve Kanelakos: Jesus

[2022-02-12, 12:17:41 PM] Kim Ayotte: From the province on Windsor:

- Things are going well in Windsor.
- All vehicles are now gone and police are pushing back on foot. The police are starting to dismantle the protest and report that it is not a strong resistance, there is no violence and no arrests made at this time.
- The police are satisfied that the plan is working.
- There are contingencies in place with partners (hospitals, etc.) who are prepared just in case. A secondary EOC is in place if there is a need since police are currently operating out of the primary location.
- There are unconfirmed reports that there may be further protestors from London for the truck convoy to join the Windsor protest but believe that the police have a plan in place to stop them along the way.

[2022-02-12, 12:23:11 PM] Steve Kanelakos: Pressure is on here

[2022-02-12, 1:01:36 PM] Kim Ayotte: In Paris with 7000 officers...

[2022-02-12, 1:07:02 PM] Steve Kanelakos: Fucking animals

[2022-02-12, 1:07:27 PM] Steve Kanelakos: They are looking for a confrontation

[2022-02-12, 1:11:38 PM] Kim Ayotte: I suspect there may be some vets thinking of going down to bust some heads

[2022-02-12, 1:44:57 PM] Kim Ayotte: FYI- from paramedics: train stopped at strandherd crossing - fatal involving pedestrian and train. Paramedics wanted to advise that it does not involve the convoy in case we get reports.

[2022-02-13, 1:26:37 PM] Steve Kanelakos: You're my guy! Don't fuck it up:)

[2022-02-13, 1:26:51 PM] Kim Ayotte: Home run coming up!

[2022-02-13, 1:27:39 PM] Kim Ayotte: Can I see the letters?

[2022-02-13, 1:29:13 PM] Steve Kanelakos: Yes I'm waiting to get the final versions cause some last minute edits were made.

[2022-02-14, 1:08:24 PM] Steve Kanelakos: Dean French called me. Says that Sgt Le is the one fucking things up. He's the guy I've been going on about. The PLT who set up my first meeting. I told them to get him the fuck out there
[2022-02-14, 1:27:00 PM] Kim Ayotte: The court granted the injunction
[2022-02-14, 1:28:53 PM] Steve Kanelakos: I just heard

[2022-02-14, 2:59:09 PM] Steve Kanelakos: You're the best. Take pics
[2022-02-14, 3:13:29 PM] Kim Ayotte: I know why everybody is so happy down here they're all high... The pot smell is unbelievable worse than the diesel
[2022-02-14, 3:18:10 PM] Steve Kanelakos: Haha!
[2022-02-14, 3:31:40 PM] Kim Ayotte: Six trucks left on bank
[2022-02-14, 3:31:49 PM] Kim Ayotte: I'll just report this way as I go along
[2022-02-14, 3:32:11 PM] Kim Ayotte: There's approximately 45 trucks on Slater mixed in with a whole bunch of pick up trucks at bank
[2022-02-14, 3:33:29 PM] Kim Ayotte: There are still several trucks on Albert close
[2022-02-14, 3:44:27 PM] Kim Ayotte: Metcalf is still loaded with trucks probably about 20 or 30
[2022-02-14, 3:45:40 PM] Kim Ayotte: Metcalf also has a lot of passenger cars and pick up trucks on it so it's deceiving
[2022-02-14, 3:46:49 PM] Steve Kanelakos: So we have a long way to go yet
[2022-02-14, 3:50:33 PM] Steve Kanelakos: How many trucks in Kent?
[2022-02-14, 3:52:23 PM] Steve Kanelakos: How many trucks are on Wellington right now u think?
[2022-02-14, 3:53:55 PM] Kim Ayotte: 150 maybe
[2022-02-14, 3:54:40 PM] Steve Kanelakos: That's good.
[2022-02-14, 3:54:54 PM] Steve Kanelakos: Good progress today

[2022-02-14, 3:56:24 PM] Steve Kanelakos: Come by mayors office when u get back. Me and serge in mayors office waiting to watch PM

[2022-02-14, 3:56:49 PM] Kim Ayotte: Okay

[2022-02-14, 3:57:47 PM] Kim Ayotte: <attached: 00000981-PHOTO-2022-02-14-15-57-47.jpg>

[2022-02-14, 3:58:03 PM] Kim Ayotte: <attached: 00000982-PHOTO-2022-02-14-15-58-03.jpg>

[2022-02-14, 3:58:12 PM] Kim Ayotte: <attached: 00000983-PHOTO-2022-02-14-15-58-12.jpg>

[2022-02-14, 7:14:57 PM] Kim Ayotte: You may or may not be aware that there will be an RCMP public order team activation regarding the truckers in the next 24 hrs

[2022-02-14, 7:25:45 PM] Steve Kanelakos: I wasn't aware. But what does that mean? They are going tactical in an operation or that they have been mobilized under OPS command?

[2022-02-14, 7:28:17 PM] Kim Ayotte: Everything is under OPS Command but they are going to move on and area. I don't know but I suspect it may be Rideau Sussex

[2022-02-14, 7:29:37 PM] Kim Ayotte: It's being directed by the integrated command centre

[2022-02-14, 7:42:30 PM] Steve Kanelakos: So that will screw any chance of the truckers moving off the residential streets.

[2022-02-14, 7:43:54 PM] Kim Ayotte: I don't think so... in my opinion it will likely scare them into realizing we are now serious!

[2022-02-14, 7:44:24 PM] Steve Kanelakos: Well that's a perspective that I hope is correct

[2022-02-14, 7:45:35 PM] Kim Ayotte: The downside is that it will just confirm the Public's perception that Ottawa Police can't do the job. First big operation is being conducted by RCMP

[2022-02-14, 7:50:11 PM] Steve Kanelakos: Good point

[2022-02-15, 9:04:29 AM] Kim Ayotte: <attached: 00000993-PHOTO-2022-02-15-09-04-29.jpg>

[2022-02-15, 9:34:22 AM] Kim Ayotte: Police OP delayed until tomorrow

[2022-02-15, 9:56:04 AM] Kim Ayotte: Do you have access to the in-camera portion of the Police Services Board meeting?

[2022-02-15, 9:56:26 AM] Steve Kanelakos: No. We can't be present for that

[2022-02-15, 9:56:34 AM] Kim Ayotte: Okay... thanks

[2022-02-15, 10:09:42 AM] Kim Ayotte: <attached: 00001000-PHOTO-2022-02-15-10-09-42.jpg>

[2022-02-15, 10:23:41 AM] Kim Ayotte: I am going to contact Chris to see if he is encountering any challenges moving trucks.

[2022-02-15, 11:23:14 AM] Kim Ayotte: I just got a call from Rob. He says that they are still working on moving trucks in line with the agreement however some of those trucks are stuck behind cars that refuse to move. He indicates that his earlier messages were not 100% accurate and he is now confirms that they are willing to move trucks.

[2022-02-15, 11:24:16 AM] Kim Ayotte: News is reporting that Sloly has resigned!

[2022-02-15, 11:59:17 AM] Kim Ayotte: Approximate numbers:
South of Wellington - 175 trucks
North of Wellington - 120 trucks (including Rideau and Sussex are)

[2022-02-15, 12:20:18 PM] Kim Ayotte: Rob was saying that we could meet after 12:00 PSB meeting. Now that PSB is at 2:30 I asked him to meet beforehand. Still waiting for an answer.

[2022-02-15, 12:54:05 PM] Steve Kanelakos: Ok

[2022-02-15, 1:16:48 PM] Kim Ayotte: <attached: 00001007-PHOTO-2022-02-15-13-16-48.jpg>

[2022-02-15, 1:17:41 PM] Kim Ayotte: From Rob

[2022-02-15, 1:25:07 PM] Steve Kanelakos: Tell him by the end of the day we require a detailed update. We are in council tomorrow with his Acting Chief

[2022-02-15, 1:26:54 PM] Kim Ayotte: Done

[2022-02-15, 1:38:19 PM] Kim Ayotte: Whoever is taking over is going to have to show some police action and fast!

[2022-02-15, 1:39:02 PM] Steve Kanelakos: Bell is interim so let's take advantage of that this week

[2022-02-15, 1:39:28 PM] Kim Ayotte: For sure!!!!

[2022-02-15, 1:40:17 PM] Steve Kanelakos: Bell already called me. Will be providing a detailed operational plan briefing to mayor and us before council convened tomorrow

[2022-02-15, 1:44:49 PM] Kim Ayotte: Excellent

[2022-02-15, 1:51:27 PM] Kim Ayotte: Just spoke to Rob... let me know when you can take a call. They

have put a stop to letting trucks move up to Wellington.

[2022-02-15, 2:21:24 PM] Kim Ayotte: Why are news reporting that RCMP and OPP are now taking control?

[2022-02-15, 2:28:16 PM] Steve Kanelakos: That's wrong. Feds want OPP to take over. But that's not happening

[2022-02-15, 2:28:29 PM] Kim Ayotte: Good

[2022-02-15, 2:29:06 PM] Kim Ayotte: Pocket dial

[2022-02-15, 3:40:47 PM] Steve Kanelakos: I'm trying to get to Bell this afternoon to push past this ICC decision.

[2022-02-15, 3:41:21 PM] Kim Ayotte: Okay

[2022-02-15, 3:41:44 PM] Steve Kanelakos: How much room do u think is left on Wellington?

[2022-02-15, 3:43:08 PM] Kim Ayotte: Maybe enough for 30+ trucks... maybe more if the organizers move the tents but that is their call.

[2022-02-15, 3:44:39 PM] Steve Kanelakos: Ok. Good to know. That Dean guy is messaging me and says that they want to move trucks and have guys who are ready to go

[2022-02-15, 3:45:23 PM] Kim Ayotte: Okay... that's what is suspected Chris was calling me about!

[2022-02-15, 4:31:18 PM] Kim Ayotte: Did you see that Diane tried to burn the Major?

[2022-02-15, 4:31:30 PM] Kim Ayotte: Mayor

[2022-02-15, 4:31:55 PM] Steve Kanelakos: No I have been listening but took a quick call from serge. What did she say? I'm

[2022-02-15, 4:33:13 PM] Kim Ayotte: She asked Steve Bell how much the extra trucks placed on Wellington hurt their operation?

[2022-02-15, 4:33:36 PM] Kim Ayotte: He basically answered that he would not comment on operational matters.

[2022-02-15, 4:33:48 PM] Steve Kanelakos: I heard the last part

[2022-02-15, 4:34:25 PM] Steve Kanelakos: This is so politically motivated. We are looking to taking her and this board out too

[2022-02-15, 4:35:42 PM] Steve Kanelakos: The plays are not over yet

[2022-02-15, 4:35:59 PM] Kim Ayotte: Yup

[2022-02-15, 4:44:42 PM] Steve Kanelakos: Have you received anymore updates from Rob?

[2022-02-15, 4:47:48 PM] Kim Ayotte: No... his last one was pretty definitive. He was apologetic but it was clear that they were not moving any more trucks. They continue to try to convince people to leave but are not letting g any trucks move on to Wellington.

[2022-02-15, 4:47:59 PM] Steve Kanelakos: Ok.

[2022-02-15, 9:46:26 PM] Steve Kanelakos: From Keith Wilson, lawyer from convoy:

The truckers want to move 40 plus trucks tomorrow starting in the morning. They have the room on Wellington to fit.

[2022-02-15, 9:46:54 PM] Steve Kanelakos: My response:

Yes. We are working through some issues with Parliamentary Protection Services. Our interim Chief is engaged. I will know more tomorrow morning and will share with you. We are all working hard to get things moving. Have to make sure, like you, that all our stakeholders are on the same page.

[2022-02-15, 9:47:27 PM] Steve Kanelakos: He says that 40 trucks would make a big dent in clearing neighborhoods

[2022-02-15, 9:48:37 PM] Kim Ayotte: It would but there is still 175 truck in the neighbourhoods

[2022-02-15, 9:48:59 PM] Steve Kanelakos: One bite of the elephant at a time

[2022-02-15, 9:49:21 PM] Kim Ayotte: Once Wellington is full then police will deal with the rest

[2022-02-15, 9:50:07 PM] Steve Kanelakos: Sounds like they are gearing up for some heavy duty tactical hits the next few days

[2022-02-15, 9:50:08 PM] Kim Ayotte: The amount of space left on Wellington is not so great that the PPS should be worried about it

[2022-02-15, 9:50:38 PM] Steve Kanelakos: Agree. Let's see what Deputy Commissioner says.

[2022-02-15, 9:51:11 PM] Kim Ayotte: Steve B needs to show that he has what it takes to act... everyone is watching!

[2022-02-15, 9:52:09 PM] Steve Kanelakos: Yes. Very true. I think OPP and RCMP will be pushing it

[2022-02-15, 9:53:29 PM] Kim Ayotte: If he pulls it off quick... people will love him!

[2022-02-15, 10:13:43 PM] Steve Kanelakos: https://torontosun.com/opinion/columnists/lilley-sloly-should-not-wear-ottawas-policing-disaster-on-his-own?utm_medium=Social&utm_source=Twitter#Echobox=1644969360

[2022-02-15, 10:14:50 PM] Steve Kanelakos: Lilly is such a loser. Doesn't understand who leads the response. I told Serge today that with Sloly gone, attention and blame will come our way.

[2022-02-15, 10:15:34 PM] Steve Kanelakos: They want to take lots of people down

[2022-02-15, 10:15:55 PM] Kim Ayotte: Fucking stupid

[2022-02-15, 10:22:39 PM] Kim Ayotte: Everyone knows this was a police operation! He was ultimately responsible and while they can try to find blame elsewhere it still lands on police.

[2022-02-15, 10:24:37 PM] Steve Kanelakos: I know. This is a dirty business.

[2022-02-16, 8:59:33 AM] Steve Kanelakos: Good morning. Can u send me the up to date stats on how many tickets and for what bylaw have issued since the protests started. I need them in next hour. Thx

[2022-02-16, 9:00:02 AM] Steve Kanelakos: Was it Rogers dad who died last weekend?

[2022-02-16, 9:00:03 AM] Kim Ayotte: Coming up

[2022-02-16, 9:00:10 AM] Kim Ayotte: Yea

[2022-02-16, 9:24:39 AM] Kim Ayotte: Sent you the stats...

[2022-02-16, 9:39:43 AM] Kim Ayotte: I think Serge is losing his shit on the numbers.

[2022-02-16, 9:40:26 AM] Kim Ayotte: ... Numbers of trucks moved that is.

[2022-02-16, 9:45:46 AM] Steve Kanelakos: Yup

[2022-02-16, 10:01:29 AM] Kim Ayotte: Is there a time for the update meeting with Steve Bell?

[2022-02-16, 10:15:25 AM] Steve Kanelakos: Sorry. It got squeezed in just five minutes ago. On with deans now. Will call u right after. It's a political management meeting all morning

[2022-02-16, 11:21:52 AM] Steve Kanelakos: Have u heard anything from Rob about what's happening on the ground?

[2022-02-16, 11:27:29 AM] Kim Ayotte: They have switched to telling everyone to leave...

[2022-02-16, 11:28:05 AM] Kim Ayotte: He says that they are not allowing anyone on Wellington and that the message has been clear that they should all leave!

[2022-02-16, 12:07:44 PM] Kim Ayotte: The truck full of firearms stolen earlier this week in Peterborough has been recovered in Peel!

[2022-02-16, 12:41:47 PM] Steve Kanelakos: With the firearms?

[2022-02-16, 12:42:58 PM] Kim Ayotte: Sorry I thought you knew, there was a truck full of firearm stolen in Peterborough earlier this week and they suspected that they were on the way to Ottawa. That turned out to be false and they were recovered and Peel

[2022-02-16, 2:56:06 PM] Kim Ayotte: <https://twitter.com/cmckenney/status/1494035894562664448?s=21>

[2022-02-16, 3:09:15 PM] Steve Kanelakos: Yes I saw. Menard too

[2022-02-16, 5:26:02 PM] Kim Ayotte: I love this job!!!

[2022-02-16, 6:25:17 PM] Steve Kanelakos: Have u not checked in with Mckenney? I thought you have been in touch w her?

[2022-02-16, 6:27:11 PM] Kim Ayotte: Tried to call her a couple times but never hooked up. Touched base with her by email.

[2022-02-16, 6:27:24 PM] Steve Kanelakos: Ok

[2022-02-16, 6:27:58 PM] Kim Ayotte: Are you in the in camera session or is that not allowed?

[2022-02-16, 6:28:21 PM] Steve Kanelakos: I'm in the session. She said that you and I never called her.

[2022-02-16, 6:30:52 PM] Kim Ayotte: I had a pleasant email exchange with her.

[2022-02-16, 6:32:09 PM] Steve Kanelakos: And she received updates daily and there were council meetings and board meetings.

[2022-02-16, 6:32:39 PM] Kim Ayotte: True.

[2022-02-16, 6:33:08 PM] Steve Kanelakos: She's out of control. Swearing at people in camera

[2022-02-16, 6:34:41 PM] Kim Ayotte: I was also communicating with Lee Bennett her assistant

[2022-02-16, 6:35:20 PM] Steve Kanelakos: By email?

[2022-02-16, 6:35:31 PM] Steve Kanelakos: What about?

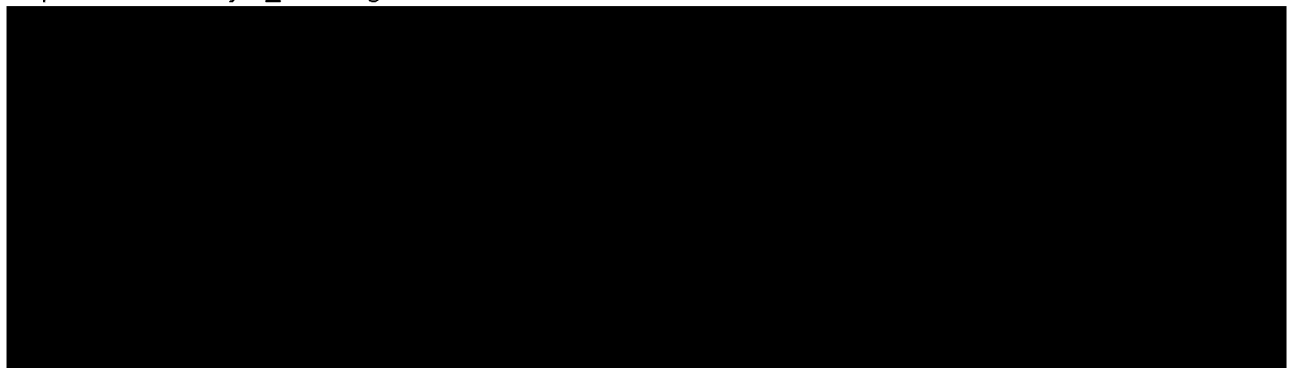

[2022-02-16, 6:37:20 PM] Kim Ayotte: Yes... at the onset they wanted to know what the plans were... I replied.

[2022-02-16, 6:37:54 PM] Kim Ayotte: They reported concerns about fire and I responded

[2022-02-16, 6:38:21 PM] Kim Ayotte: They asked about portapotties and I responded
[2022-02-16, 6:38:57 PM] Kim Ayotte: Was also sending these through the Councillor Liaison function which is another way to communicate .
[2022-02-16, 6:39:17 PM] Steve Kanelakos: Ok. I will handle it when she comes at us

[2022-02-16, 9:40:39 PM] Kim Ayotte: I can speak to it
[2022-02-16, 9:49:20 PM] Kim Ayotte: I got this
[2022-02-16, 9:57:47 PM] Steve Kanelakos: Jump in
[2022-02-16, 10:10:35 PM] Kim Ayotte: Good job Steve
[2022-02-16, 10:17:15 PM] Steve Kanelakos: You too Kim!
[2022-02-16, 10:17:30 PM] Steve Kanelakos: Good team work. Really enjoy working with you
[2022-02-16, 10:18:38 PM] Kim Ayotte: Me too... learning so much and really happy that I took this job!
[2022-02-17, 2:52:05 PM] Steve Kanelakos: Have you announced Paul yet? Where are you at?
[2022-02-17, 2:56:49 PM] Kim Ayotte: No... still waiting for Serge to find time for me... I might just send him a text
[2022-02-17, 2:58:00 PM] Kim Ayotte: I have asked him 4 times to take a 5 minutes call and he keeps putting it off
[2022-02-17, 3:00:40 PM] Kim Ayotte: I will try one more time today to bend his ear and if that doesn't work I will just send him a note about it!
[2022-02-17, 4:55:24 PM] Kim Ayotte: You deleted this message.
[2022-02-17, 4:55:50 PM] Kim Ayotte: First arrest just occurred on Wellington I sought on the video feed I'll send you a photo soon
[2022-02-17, 4:56:12 PM] Kim Ayotte: Cops did a great job

[2022-02-17, 8:14:01 PM] Kim Ayotte: Did you see that Chris Barbara got arrested tonight?
[2022-02-17, 8:14:13 PM] Kim Ayotte: He's the guy I was dealing with
[2022-02-17, 8:18:09 PM] Kim Ayotte: You deleted this message.
[2022-02-17, 8:18:29 PM] Steve Kanelakos: Yes he was in our meeting last Sunday night
[2022-02-17, 8:18:38 PM] Kim Ayotte: They are rounding up the leaders and that's good police work!
[2022-02-17, 8:19:06 PM] Steve Kanelakos: They finally got their act together
[2022-02-17, 8:19:38 PM] Kim Ayotte: Nice to see... I am happy for Steve Bell... still work to do though!
[2022-02-17, 8:19:59 PM] Steve Kanelakos: Timing is everything as we said

[2022-02-17, 10:26:37 PM] Steve Kanelakos: Looks like our convoy group chat person forgot who they work for
[2022-02-17, 10:28:13 PM] Kim Ayotte: Asleep at the switch. I think we both know more than they do at this point.
[2022-02-17, 10:28:41 PM] Steve Kanelakos: Lol. That's true
[2022-02-17, 10:33:13 PM] Kim Ayotte: Found out from Beth that they have been very busy coordinating

requests.... and not much to update. Kelly is there now and Silvia will be doing a quick reach out first thing in the morning.

[2022-02-18, 7:46:34 AM] Kim Ayotte: Did you come in to CH?

[2022-02-18, 7:53:36 AM] Steve Kanelakos: No. I'm not coming in today

[2022-02-18, 7:58:02 AM] Kim Ayotte: Okay... good to know!

[2022-02-18, 8:30:40 AM] Steve Kanelakos: Watch channel 26 cbc news. Live pics of operation on Nicholas street

[2022-02-18, 8:31:38 AM] Kim Ayotte: I have the best camera views ever

[2022-02-18, 8:31:44 AM] Steve Kanelakos: Lol

[2022-02-18, 8:31:56 AM] Kim Ayotte: That's the other reason I was asking if you were at city hall

[2022-02-18, 8:32:05 AM] Kim Ayotte: I will send you a link

[2022-02-18, 8:32:13 AM] Steve Kanelakos: Ok

[2022-02-18, 8:39:50 AM] Kim Ayotte: Did you get it?

[2022-02-18, 8:50:32 AM] Steve Kanelakos: Yes

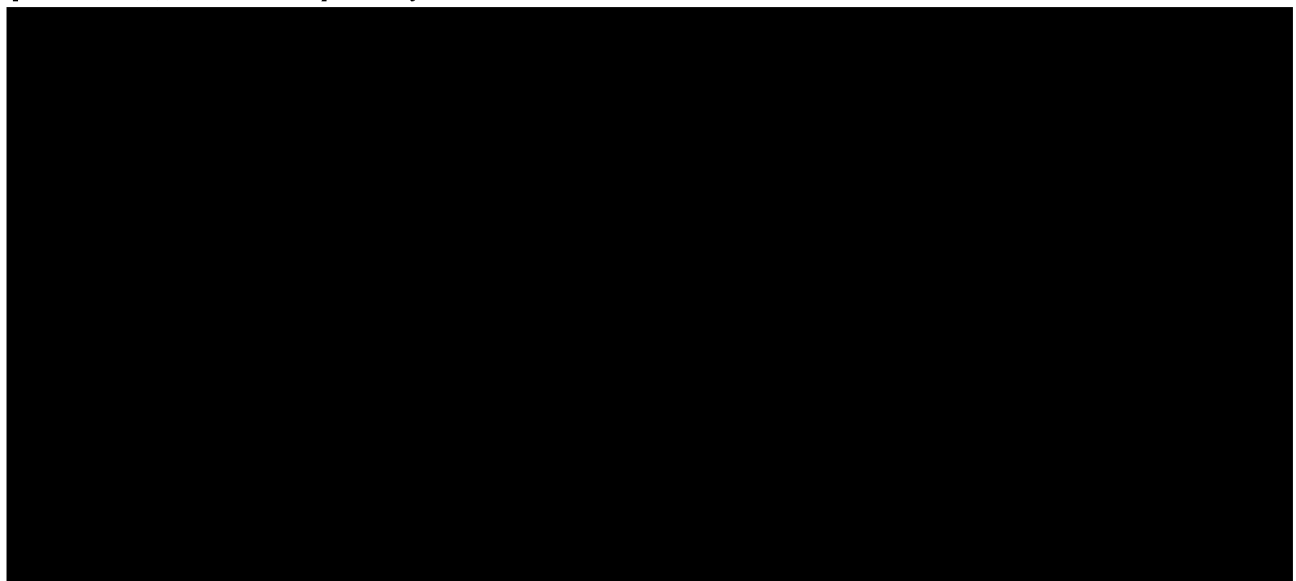

[2022-02-18, 8:51:40 AM] Kim Ayotte: Wait to you see them in action.

[2022-02-18, 8:52:05 AM] Kim Ayotte: Look like they are getting ready to move soon

[2022-02-18, 11:19:31 AM] Kim Ayotte: Are you still watching a Camera check out the cops marching up Sussex to Rideau

[2022-02-18, 11:47:39 AM] Steve Kanelakos: Yes

[2022-02-18, 11:52:03 AM] Steve Kanelakos: How's it going?

[2022-02-18, 11:56:36 AM] Kim Ayotte: Getting heated with several arrests at Rideau and Sussex

[2022-02-18, 11:56:44 AM] Kim Ayotte: Drone feed is down!

[2022-02-18, 11:57:05 AM] Kim Ayotte: CBC has good footage

[2022-02-18, 11:57:35 AM] Steve Kanelakos: Yes. I'm watching cbc and ctv
